

Brad Littlefield

Brad Littlefield's story is not simply one of athletic accomplishments—it is a story of family, tradition, coaching, and a deep love for the Millsap community.

Beginning in his sophomore year, Brad lettered in football, basketball, baseball, and golf. As a senior, he added tennis to his resume'.

On the football field, he played linebacker and tackle and on the baseball diamond, he was a pitcher and second baseman. Brad's athletic ability and competitive spirit made him stand out among his peers as he was voted Most Athletic.

Brad's name remains permanently etched in Millsap baseball history as he holds numerous records including a .585 batting average (set in 1983) and 20 career pitching wins, as well as 11 pitching wins in a single season (set in 1984). That same year, Brad also pitched a perfect game. He became part of a standard set for future baseball players.

Upon graduation, Brad continued his baseball career at Hill College in Hillsboro, where he played for two years before transferring to Sul Ross State University in

Alpine. While at Sul Ross, an arm injury required surgery and brought an unexpected end to his pitching career.

For an athlete who had dedicated so much of his life to baseball, it could have been the end of the road. Instead, it became the beginning of a new chapter – coaching baseball.

Brad earned a BS degree at Tarleton State University. He began his coaching career at Brock HS, where he spent 15 years coaching baseball and basketball. In 2006, he was part of the Brock State Championship Baseball Team as an assistant coach. In 2025, he was inducted into the Brock Athletic Hall of Fame as an assistant coach alongside that championship team.

In 2006, Brad accepted the position of Head Baseball Coach at Millsap High School. In his first year as Head Coach, his team advanced to the second round of the playoffs and advanced to the playoffs four times in 8 years. In 2008, he coached his team to 22 victories, establishing a school record that remains a proud part of Millsap baseball history.

He and his wife, Johnnie Ellis Littlefield, have shared 36 years of marriage. They have two children, Zeb and Raelyn, both Millsap High School alumni and athletes. Their son, Zeb, was inducted into the Millsap Athletic Hall of Fame in 2023 for his outstanding accomplishments in golf.

Brad as a lifetime of giving back to the community with involvement the in various organizations including the Millsap High School Athletic Hall of Fame and the Millsap Heritage Society.
