

Chuck Felts

Chuck Felts' name is synonymous with excellence in Millsap High School athletics. Throughout his high school career, Chuck demonstrated an extraordinary combination of strength, determination, versatility, and leadership—qualities that made him one of the most accomplished athletes of his generation.

A three-sport athlete, Chuck left his mark wherever he competed. On the football field, he was a dominant force on both sides of the ball. He earned First Team All-District honors three times as an offensive lineman and three times as a defensive lineman.

His impact on defense was especially remarkable, as he was named District Defensive MVP twice, recognized as the Fort Worth Star-Telegram Defensive Player of the Year, and selected to Dave Campbell's All-State Team.

Chuck earned the honor of being named the Greatest Bulldog in his final year of competition.

His senior season stands as a testament to the intensity and determination he brought to every game. He recorded an incredible 198 tackles, 11 sacks, and six fumble recoveries, numbers that reflect not only his physical ability but also his relentless pursuit of excellence.

His accomplishments extended well beyond the football field. In track and field, Chuck was a four year varsity letterman earning the district champion three times in both the shot put and discus.

By the time his high school career came to an end, Chuck had earned four letters in football, four in track, and two in baseball. But the numbers and awards tell only part of his story. His true legacy is found in the example he set for those who followed him.

Chuck Felts did not simply participate in athletics at Millsap High School, he made an enduring impact. His achievements placed him among the finest athletes to ever compete for Millsap, while his dedication and competitive spirit helped define what it means to be a Bulldog.

Upon graduation, Chuck continued his successful football career playing two years at Cisco Jr. College and two years at Southwestern Oklahoma State earning 1st Team All-Conference and Honorable Mention All-American while earning a degree in Criminal Justice.

He and his wife, Danielle, have two daughters – Landry Felts (3rd grade teacher at Millsap) and Ellason (who is a senior at Ole Miss).
