

STUDENTS

- Attend school regularly, arrive on time, and bring a positive attitude to learning.
- Complete homework to the best of our ability and ask for help when needed.
- Show respect for ourselves, classmates, and school staff.
- Communicate questions or challenges to teachers and family members.
- Take responsibility for learning and make positive choices in school and extracurricular activities.

COMMUNICATION ABOUT LEARNING

- Share progress reports, report cards, and standardized testing results.
- Hold at least one annual parent-teacher conference to review the compact and student progress.
- Provide ongoing, two-way communication in languages families can understand, to the extent practicable.

IN THE CLASSROOM

- Provide high-quality curriculum and instruction aligned with challenging state academic standards.
- Maintain a nurturing, supportive, and effective learning environment.
- Value cultural diversity and promote student well-being and academic excellence.
- Welcome family participation, including classroom observation and volunteer opportunities.

AT HOME

- Ensure regular attendance, punctuality, and readiness to learn.
- Review homework and support timely completion.
- Participate in educational decisions, conferences, and school meetings.
- Communicate with teachers and respond to school updates.
- Encourage daily reading, educational activities, and positive extracurricular involvement.

OUR GOALS FOR STUDENT ACHIEVEMENT

- Empower every student to meet challenging state academic standards.
- Strengthen student success through shared school, family, and student responsibilities.

DISTRICT GOALS

- Support achievement of state academic standards through high-quality instruction and meaningful family engagement.

SCHOOL GOALS

- Promote academic excellence, student well-being, and positive choices.
- Build strong partnerships through consistent communication and family participation.
- Encourage regular attendance and productive learning time at school and at home.

WHAT IS A SCHOOL-PARENT COMPACT?

- A collaborative agreement outlining shared responsibilities among the school, parents, and students to support academic success.
- Foerster Elementary is committed to a nurturing and effective learning environment that empowers all students.

JOINTLY DEVELOPED WITH FAMILIES

- This compact was developed with input from teachers, parents, and students.
- Together, we strengthen our partnership and support student achievement.

ACTIVITIES TO BUILD PARTNERSHIPS

- At least one annual parent-teacher conference to discuss the compact and individual achievement.
- Opportunities to observe classrooms and volunteer in school activities.
- Information about school programs, resources, and positive extracurricular opportunities.
- Regular school updates and opportunities to communicate with staff.

Title 1 Parent Meeting- 8/6/26 4pm
