VILLALOVOZ ELEMENTARY SCHOOL

TITLE I PARENTAL INVOLVEMENT PLAN

2026- 2027

At Villalovoz Elementary School we believe that a partnership must exist between our parents and our school. We promote positive communication between the school and our students' homes. Villalovoz Elementary School provides a variety of opportunities for parents to be involved in activities supporting our school. This policy is available to parents of all students by way of the school's website. This plan is reviewed ann ually at our first School Site Council which is a public meeting open to all parents. The policy describes the means for carrying out the Title 1 involvement requirements.

It is our goal to provide an atmosphere where parents are able to express their views and to assist in problem solving. We want parents to understand that we view them as joint policy and decision makers and plan to emphasize their roles as advocates. The following is a list of services and activities to promote parental involvement and provide additional support for student learning:

1. **School staff will use a variety of communication strategies to provide additional information to parents and to increase parental involvement in supporting classroom instructions.**

    - Villalovoz Elementary School will send home monthly communication with parenting advice relating to school achievement such as homework tips, organizational skills, and study skills. The newsletter will be in English and Spanish.
    - Villalovoz Elementary School will use our website to keep parents up to date on all school events and activities.
    - Parents may use telephone, Parent Square, or email to communicate with members of the school staff.
    - Parents can access their child's grades using a PIN number they receive at the beginning of the school year.
    - Each teacher will send home a Panda folder containing student papers and work samples.
    - Fourth and fifth grade teachers will send an agenda home daily with students. Parents are asked to check the agendas and folders.
    - Teachers will routinely contact parents on an individual basis to communicate about their child's progress via notes, agendas, phone calls, parent square, e-mails, and postcards.
    - Assignments will be posted into Aeries gradebook at a minimum of each trimester
    - The school will provide parents with report cards every trimester upon request.
    - Many teachers will routinely send classroom newsletters with pertinent information and upcoming classroom and school events.

- Notices for special events, workshops and classes will be sent home on Parent Square, posted on the website and Facebook.
- Villalovoz Elementary School will use the student handbook, the school website, Back to School Night and parent orientation meetings to share about school activities and policies.

2. The school will hold parent meetings, conferences, and activities regularly throughout the year to increase parental involvement and build staff capacity to engage in these types of efforts.

- The Villalovoz parent liaison will host meetings that will include parent-training sessions to help parents understand how to enhance their child's education.
- These activities will include events like family reading events that provide an opportunity for parents and their child to experience the school situation in a positive and helpful manner while school staff may provide any needed assistance or encouragement.
- The meetings will be held at various times during the day or evening to better accommodate parents.
- Outside speakers will provide parents with more information concerning ways to make their child's academic and social life more successful (Parent Café)
- During Back to School Night, the school will inform parents about the school's participation in the Title I programs and to encourage parents to be involved with reviewing and revising of the School's Title I Plan.
- Teachers will hold conferences individually with parents of children in their classrooms.
