Policy Number: B111
Title: Special Education
Section: Programs

I. Purpose

EASTERN will ensure that any student with an Individualized Education Program (IEP) and/or a 504 Service Agreement are provided with educational programming that meets the requirements of the student's IEP and/or 504 Service Agreement.

II. Authority

The instruction of students with IEP and/or 504 Service Agreements shall be provided in accordance with federal and state law. EASTERN's Supervisor of Career and Technical Education will serve as the 504 / IEP Coordinator, and their contact information will be listed in this accompanying Director's Procedure and on EASTERN's website. The 504 / IEP Coordinator oversee related compliance, including but not limited to ensuring that EASTERN has staff trained who can implement any required programming and working with a student's school district on ensuring compliance with an IEP or 504 Agreement, and adherence to all applicable state and federal law and regulations.

III. Guidelines

The Director is instructed to annually recommend to the Joint Committee the employment and retention of such staff and the provision of such facilities, as may be necessary and feasible to provide for the career and technical education needs of EASTERN students with IEPs. The program to which each student with an IEP is assigned shall be that which complies with the student's IEP in the least restrictive environment in accordance with federal and state law and related regulations. The Joint Committee directs that all procedures for the implementation of a program of special education be so designed as to guard the privacy of the student and family.
