Student Achievement = 64

STAAR scores by Performance Level

School Progress = 72

STAAR scores compared to other school with similar percent of Economically Disadvantaged students

Closing the Gaps = 72

Look at STAAR performance of students by ethnicity, economic status, and enrollment in Special Education and Emergent Bilingual programs

AND

TELPAS growth for Emergent Bilingual students

How will we work on improvement?

Improvement will be a districtwide effort in improving student learning. These efforts are monitored through milestone check ins.

Three Strategies:

1. Reading Language Arts Intensive Curriculum & Instruction Improvement
2. Math Intensive Curriculum & Instruction Improvement

Additionally for Elementary

3. Extra support for Emergent Bilingual students

What are milestones?

- Milestones include all activities needed to fully implement the program or strategy, covering planning and implementation stages.
- Milestones are action based goals that help to monitor the progress of the work being done.
- Milestones will be reviewed by multiple groups throughout the year including district leadership, campus leadership, ESC Region 12 TSL team and The Meadows Center team.

Reading Language Arts – Intensive Curriculum & Instruction Improvements

Actions	Milestones	Fund source (reference specific grant funds)
Implement Amplify curriculum with stronger fidelity through product training and coaching support from Amplify for product usage	<ul style="list-style-type: none">● Provide planning time in summer 2026 to prepare● By August 2026, all teachers and campus leaders receive training on materials● Use of materials in classrooms monitored through walkthroughs● Coaching for teachers on planning in Collaborative Team Meetings● Observation/Feedback coaching cycles to support use of materials	Blended Learning Strategic Operation Grant; LIFT Grant PLC Grant School Improvement Grant District federal and local funds

Math – Intensive Curriculum & Instruction Improvements

Action	Milestones	Fund source (reference specific grant funds)
Implement Bluebonnet curriculum with stronger fidelity through trainings and coaching support from the Meadows Center for product usage, planning and data usage	<ul style="list-style-type: none">• Provide planning time in summer 2026 to prepare• By August 2026, all teachers and campus leaders receive training on materials and Research Based Instructional Strategies for Math• Use of materials in classrooms monitored through walkthroughs• Coaching for teachers on planning in Collaborative Team Meetings• Observation/Feedback coaching cycles to support use of materials	Blended Learning Strategic Operation Grant; LIFT Grant PLC Grant School Improvement Grant District federal and local funds
