

ORCHARD PARK
CENTRAL SCHOOL DISTRICT

CYBERSECURITY MONTH 2026

Pause. Check. Protect

Attackers count on urgency, trust and distraction. Take a moment before you act.

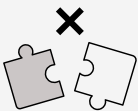

URGENTPRESSURE

Act now, keep it secret, or face a consequence.

UNEXPECTED REQUEST

Passwords, MFA codes, gift cards, payments or sensitive data .

SENDER MISMATCH

Display name looks familiar, but the address or domain is wrong.

SUSPICIOUSLINK

Hover first. Watch for misspellings, odd domains and QR-code traps.

UNUSUAL TONE

The wording, timing or request does not match the person you know.

TOO GOOD TO BE TRUE

Prizes, refunds, jobs or benefits you did not request.

1. Stop

Do not click, reply, scan a QR code, open an attachment, or approve an MFA prompt.

2. Verify

Use a trusted phone number, known website or separate message to confirm the request.

3. Report

Forward suspicious emails to technology@opschools.org

****Never*** Share Your Password or MFA Code

Legitimate support staff will not ask you to reveal passwords or MFA Codes. When in doubt, stop and verify through a trusted channel.
