

USING DATA FOR CONTINUOUS IMPROVEMENT IN INSTRUCTION

WITH THE AUTHOR OF STREET DATA

DR. JAMILA DUGAN

From Data to Insight. From Insight to Action.

Designed for partners or teams

Principals, assistant principals, teacher leaders,
instructional coaches, and other school leaders
responsible for improving teaching and learning.

How can school leaders move beyond reviewing
data to using it as a tool for improving teaching and
learning?

DR. JAMILA DUGAN

DR. KATHLEEN BLACK

Join Dr. Jamila Dugan and your fellow school leaders
for a two-day, interactive professional learning
experience designed to strengthen your ability to
use multiple sources of data to deeply understand
the problem, identify inequities and lead meaningful
cycles of continuous improvement.
