☐ Yes ☐ No

Name of School if applicable: _____

Student's Prior School Enrollment

Federal law requires all California public schools to implement a statewide accountability program that measures the progress of its students and schools. The California School Information Services (CSIS) Identifier is a ten-digit, random numeric value stored in the student's district to be associated with that student. Each student's enrollment history is needed to properly assign this number.

Grade	School Year	School	School District/State
Pre-school			
Transitional Kindergarten			
Kindergarten			
1 st Grade			
2 nd Grade			
3 rd Grade			
4 th Grade			
5 th Grade
