Policy Number: C104
Title: Students and the Police
Section: Students

I. Purpose

The Joint Committee recognizes that compulsory attendance laws impose on the Joint Committee the custodianship of the public schoolchildren attending EASTERN while they are present in the school.

II. Authority

No student shall be interrogated by the police on school property without a legitimate reason for doing so. No student shall be released to police authorities without proper warrant, appropriate evidence or written parental permission, except in the event of emergency or for the protection of life or property as determined by the Director. It shall be the Director's responsibility to verify the legitimacy of any requested interrogation and the validity of any arrest to prevent illegal or unauthorized seizure or relinquishing of custody.

The Director is authorized to promulgate procedures to carryout this policy.
