Policy Number: C107
Title: Student Fund Raising
Section: Students

I. Purpose

The Joint Committee acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and since such solicitation may disrupt the program of the schools.

II. Definition

For purposes of this policy, "student fundraising" shall include the solicitation and collection of money by students for any purpose and shall include the collection of money in exchange for tickets, papers, advertising or any other goods or services.

III. Authority

The Joint Committee prohibits the collection of money at EASTERN or on EASTERN’s property or at any EASTERN sponsored event by a student for personal benefit or for the benefit of charitable organizations who should more properly be soliciting such funds from the students' parents.
Collection of money by approved school organizations may be recommended by the Director and approved by the Joint Committee
Collections by students on behalf of school organizations outside the schools may be recommended only by the Director and approved by the Joint Committee

IV. Delegation of Responsibility

The Director shall establish rules and regulation for the approved solicitation of funds which shall:
specify the times and places in which funds may be collected;
describe permitted methods of solicitation which do not place undue pressure on student or patrons;
limit the kind and amount of advertising for solicitation;and
comply with designated administration guidelines.

The Director shall distribute this policy and the rules which implement it to each student organization granted permission to solicit funds.
