What is Maia?

Maia (formerly MaiaLearning) is a leading college and career planning platform used by schools around the world.

Our school has chosen Maia as a reliable and informative tool for you to use as you prepare for life after high school.

Here's a quick overview of how it helps you reach your goals.

How Students use Maia

Self Discovery

Take assessments to uncover strengths, interests, and potential career paths.

Career Exploration

Research and identify careers of interest, and plan how to reach them.

Personalized Planning

Create career, academic, and college plans to align with post-secondary goals.

Digital Profile Building

Craft unique digital profiles that highlight skills, experiences, and aspirations.

Real-World Experiences

Connect with work and volunteer opportunities to gain valuable knowledge and confidence.

University Prep

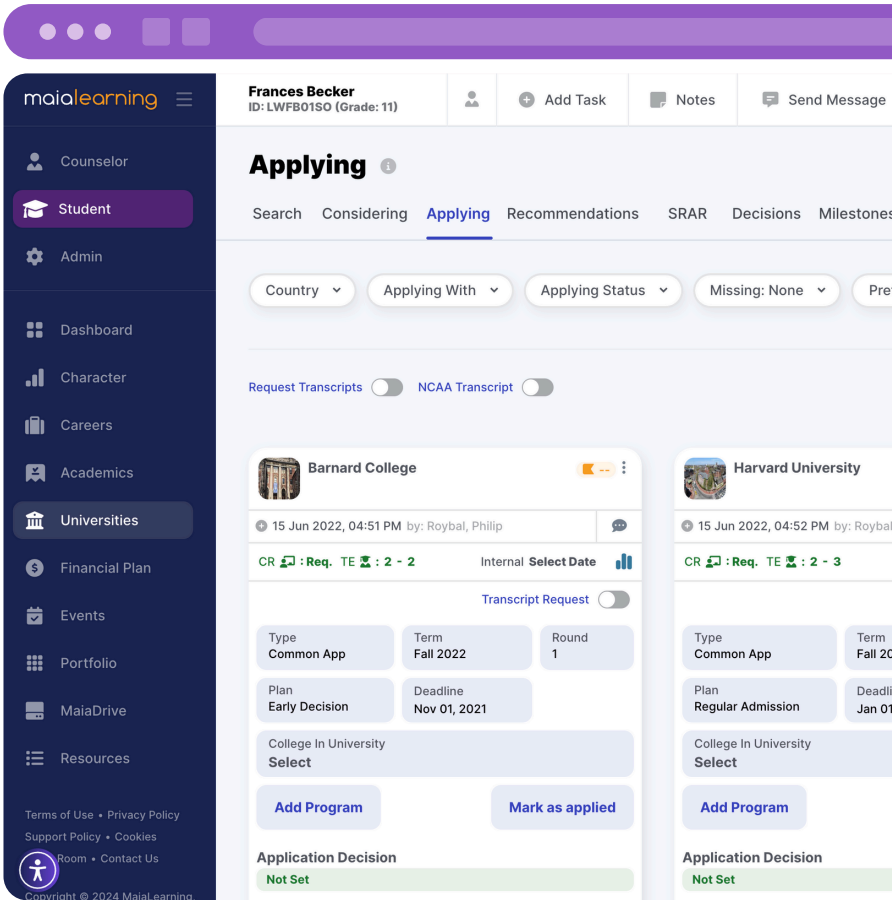

Explore universities, build college lists, request recommendations, and compare costs/financial aid.

Maia account

As a student, you get a free account through our school.

Our school will provide details on how to log in. Once logged in, you'll be able research, make plans, and complete tasks to help you reach your goals.

Your parent or guardian can also get a free account from the school.

How Parents use Maia

View Assessments and Recommendations

Understand your student's career preferences and progression.

Track Academic Plans and Progress

See what courses are planned to support college and career goals.

Access University Lists

See considering and applying lists to review university options.

Counselor Communications

View messages and notes shared by counselors to stay in sync.

MaiaLearning Calendar

Manage your student's assignments, deadlines, and any counseling meetings you request during office hours.

Financial Plans and Costs

Review any financial plans created to consider costs and financial aid.
