

WEDNESDAY ELECTIVES SESSION 2

2026-2027

Crochet (& more!) - Class Fee \$40

Learn the basics of crochet while creating a fun project! We'll use beginner-friendly kits to learn essential stitches, hook techniques, and how to follow a pattern. You'll walk away with your own handmade creation and the skills to keep crocheting on your own. We'll also work with embroidery thread to learn the basics of friendship bracelets, including multi-color chevron patterns! Class taught at EAS - Parent chaperones needed.

Parkour - Class Fee \$95

Join instructors at MoveFree Academy in Redmond (new location) for this fun and active Parkour class. Parkour is the functional art of movement, characterized by efficient use of power, speed, agility, spatial awareness, balance, reflexes, and thinking in the moment in order to overcome obstacles within one's environment. Parkour incorporates running, climbing, jumping and swinging. The instructors work with students at their level and comfort and assist them in developing appropriate, achievable goals. Foremost at MoveFree is the emphasis on safety while still having fun. Class size limited and dependent on sufficient carpool drivers. Parent Drivers Required each week.

Board Games & Magic the Gathering - Class Fee \$45

Come play a variety of strategy board games or join other in the Magic the Gathering card game. Each week there will be a large selection of board games available to learn and play as well Magic cards to borrow if new to the game and want to learn. This class is suited for all levels of Magic players as well as those who are new to board games or consider themselves board game enthusiasts. Class taught by Eric Battisti of Tolarian Scholars Northwest. Eric has been a part of our enrichment classes at EAS for several years. Eric is a Magic the Gathering expert as well as provides a variety of new and fun board games for students. Quiet study option is available for students after spending at least the first hour of class playing games. Class taught at EAS - Parent chaperones needed.

Creative Print Making - Class Fee \$65

Unleash your creativity and dive into the messy, rewarding world of printmaking with instructor Tyler. This hands-on elective introduces students to the fun of transferring original designs onto paper and fabric. Students will explore a variety of printmaking techniques, they will learn how to shift their artistic perspective to work with mirror images, reverse text, and positive/negative space. Perfect for beginners and beyond or anyone interested in this unique art form. Students will be carefully using carving tools to create designs some weeks. Class taught at EAS - Parent chaperones needed.

Street Magic - Small Group Tabletop Roleplaying Games [TTRPGs] -Class Fee \$25

Join our Monster Makeup Instructor, XE, for this fun new elective. TTRPG is a form of collaborative storytelling and interactive gaming played around the table. Students will learn the system and rules of Tabletop Roleplaying Games and then work in small groups to collaborate to flex their creativity and build a

city together (complete with neighborhoods, iconic landmarks, and people who live there!) using the TTRPG system "Did You Say Street Magic". Class taught at EAS - Parent chaperones needed.

Team Sports at Arena Sports - Class Fee \$119

Join coach Bryan for Team Sports - Indoors! We are taking coach Bryan's popular sports electives to Arena Sports this session where students will enjoy a variety of field games - soccer, kickball, ultimate frisbee, capture the flag, dodge ball, and more. All skill levels welcome. Coach Bryan is a local fitness enthusiast and athletic trainer and is a favorite among EAS students. Class size limited and dependent on sufficient carpool drivers. Parent Drivers Required each week.

Future City Design (STEM) - Class Fee \$20

Future City is an exciting, hands-on cross-curricular program that brings STEM to life! Using the Engineering Design Process and project management skills, students showcase their solutions to a citywide sustainability issue. This year's challenge asks students to design a resilient city that can prevent urban wildfires, protect communities from their impacts and recover quickly afterwards. Students work in teams to design their city and then get creative constructing a physical model to present at a regional competition in late January. The winning regional team earns a trip to the national competition in DC! More details available at www.futurecity.org. Class taught at EAS - Parent chaperones needed.

Pottery - Class Fee \$35

Students will explore basic clay hand-building techniques and principles of slab building, coil building, pinch pots, glazing and firing to create one of a kind artwork. Class taught at EAS. Parent Chaperones Needed.

Tennis at Eastside Tennis Club - Class Fee \$45

Join instructors at Eastside Tennis Club (ETC) for Tennis instruction and play. This elective is designed for all skill levels, whether brand new to the game or already have some experience. Players will learn or improve essential Tennis skills through fun drills and games. ETC puts the focus on teamwork, strategy, and good sportsmanship—all while keeping the experience active, positive, and engaging. Elective takes place at East Side Tennis Club in Kirkland- Carpool Drivers Needed.

PickleBall at Eastside Tennis Club- Class Fee \$45

Class size limited. Join instructors at Eastside Tennis Club (ETC) for pickleball instruction and play. This elective is designed for all skill levels, whether brand new to the game or already have some experience. Players will learn or improve essential pickleball skills through fun drills and games. ETC puts the focus on teamwork, strategy, and good sportsmanship—all while keeping the experience active, positive, and engaging. Elective takes place at East Side Tennis Club in Kirkland- Carpool Drivers Needed.

Wooden Longbow Making & Archery - Class Fee \$75

In this elective, you will craft your very own wooden longbow from scratch to take home and keep! Once our bows are complete, Students will practice target shooting and play interactive archery games using safe, padded-tip arrows. Class size limited. Class taught at EAS - Parent chaperones needed.

Strength Training at Alloy Personal Training - Class Fee \$150 (Note: must be 12 and older to participate/register)

Get stronger, move better, and build real confidence in the weight room. Led by an Alloy certified coach, this elective teaches the fundamentals of strength training — squat, hinge, push, pull, and carry — with a focus on proper form and safety before adding weight. Every session includes a dynamic warm-up, hands-on coaching, and a fun finisher. Students will build strength that transfers to every sport, plus the discipline and grit that come from progressing week over week. No experience needed; all levels welcome. Sessions are capped at 8 students for individual attention. Elective takes place at Alloy Personal Training in Juanita Village, Kirkland. Carpool Drivers Needed.
