California Uniform Public Construction Cost Accounting Act

The Laton Unified School District has elected to become subject to the California Uniform Public Construction Cost Accounting Procedures. The District is inviting all licensed contractors to submit information for inclusion on the District's list of qualified bidders for the **2026** calendar year.

NOTES:

1. The registration process is for the purpose of being notified of bid opportunities according to your license classification. Prequalification is a more complex process and will be required of all General Contractors (A and B) and all MEPs (C-4, C-7, C-10, C-16, C-20, C-34, C-36, C-38, C-42, C-43, and C-46) for projects in excess of $1 million.

2. SB 854 became effective July 1, 2014, and requires contractors to register with the Department of Industrial Relations prior to bidding on public works projects. This registration does not fulfill that requirement.

This notice requires contractors to provide the following information:

The Laton Unified School District may create a new contractors list effective January 1st of each year and may include any contractor's name it desires on the contractors list, but must include, at a minimum, all contractors who have properly provided the School District with the required information, either during the calendar year in which the list is valid or during November or December of the prior year. The list will automatically include all contractors who submitted one or more bids to the School District during the preceding year. A contractor may have their firm added to the School District's contractors list at any time by providing the required information.
