OUR GOALS FOR STUDENT ACHIEVEMENT

DISTRICT GOALS

Increase meaningful parent and family involvement across the district to support student success. Strengthen communication and collaboration between the district, schools, and parents/guardians.

Build and maintain strong partnerships between families and the district to promote student achievement and well-being.

Provide parents and families with educational opportunities, resources, and support to help their children succeed academically and socially.

SCHOOL GOALS

Increase parent involvement in their child's education and academic success.

Establish effective and consistent communication between the school and parents/guardians.

Foster strong family-school partnerships that promote shared responsibility for student learning and achievement.

Provide parents with educational resources, training, and support to strengthen their ability to support their child's learning at home.

Encourage meaningful family participation in school activities, events, and decision-making processes.

Build a welcoming school environment where families feel valued, respected, and engaged in their child's educational journey.

School-Parent Compact

WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact is a written agreement developed jointly by parents, students, and teachers. It outlines how families and school staff will work together to support student success and ensure that all students meet or exceed grade-level academic standards.

An effective compact is aligned to the Campus Improvement Plan (CIP) goals and focuses on student learning, high-quality instruction, and a rigorous curriculum. It also identifies the shared responsibilities of parents, students, and teachers in helping every child achieve academic growth and reach their full potential. Through this partnership, we can create a strong foundation for student achievement both at school and at home.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

At Bonham Elementary School, we believe that a strong partnership between families, students, and staff is essential for student success. Each year, parents, students, and school staff come together to review student achievement data and discuss the learning needs of our students. Based on these discussions, we update our School-Parent Compact to better support student learning.

Teachers share strategies that families can use at home to support academic growth, parents provide suggestions to make these strategies more meaningful and effective, and students identify ways they can take responsibility for achieving their learning goals. We value family input and encourage parents to share feedback and suggestions at any time throughout the school year.

STUDENT GOALS

Bonham Elementary School families, students, and staff worked together to identify ways students can be successful and show academic growth throughout the school year. Our goals for students include:

- Read every day and set personal reading goals.
- Monitor academic growth from the Beginning of Year (BOY), Middle of Year (MOY), and End of Year (EOY) assessments.
- Use the digital learning resources available through Clever to strengthen skills in Reading, Writing, Math, and Science.
- Take ownership of learning by setting and working toward personal academic goals.

My personal goal for this school year is:

To achieve this goal, I need: _____
