Purpose

It is the policy of EASTERN to provide an equal opportunity for all students to achieve their maximum potential through the programs offered in the schools regardless of, among other factors, gender, gender identity and gender expression.
Delegation of Responsibility

In an effort to ensure that gender expansive and transgender("GET") students are provided with an equal opportunity to achieve their maximum potential through EASTERN programs, and in order to ensure that transgender and gender nonconforming students are provided with equal access to all school programs and activities, the Joint Committee authorizes the Director or his/her designee to develop and promulgate regulations designed to ensure the safety, comfort, and healthy development of GET students while maximizing such students' social integration with other students and minimizing stigmatization and isolation.
