Parent-School Compact

Assistant Principals: Tiffany Roelofs & Josh Baker

Counselors: Christine Russell & Gina Lea

What is a parent-school compact?

Our parent-school compact offers ways that we can work together to help our students succeed. Our goal is to connect learning at school and at home. It is also a written agreement between parents, students, and the school. All aspects of the compact relate to what's best for students' success. This will serve as a clear reminder that all stakeholders have a responsibility to take action at school and at home so that all children can attain the state's academic achievement standards.
