

ACMA High School Four Year Planning Tool

Name:

Grade Level:

This tool is the regular progression of courses. Adjustments are made based on individual circumstances. Use this tool as a guide to plan which courses you will take during high school. You can take 3.5 credits per semester (7 classes) - the 8th class is a supervised study (or early release/late arrival for Juniors & Seniors on track to graduate). On the ACMA website, use the Academic Program Guide and Course Descriptions to identify prerequisite requirements and your course decision making.
