

DISTRICT GOALS

2026-2027

I

Elevate Student Achievement and Opportunities

We pledge to continue our focus on the “whole child” and maximize the achievements for each student. This will be accomplished through multifaceted, data-informed instruction, derived through multiple measures designed to meet the varied needs of individual learners to ensure they are “future-ready.” We will:

- Evaluate and expand critical thinking curricula
- Execute P-12 curriculum alignment to ensure horizontal and vertical continuity
- Expand enrollment in rigorous learning pathways while ensuring equitable access for all students
- Empower student advisory committees
- Refine MTSS-I interventions informed by student data
- Measure the impact of restorative practices
- Increase participation in teacher-led professional development
- Refine and monitor the District's AI policy integration by building

II

Financial & Operational Planning for Future Growth and Expansion

We pledge to commit ourselves to a responsible level of fiscal health to meet the needs of our students and the broader community of supporting taxpayers. We pledge to use short- and long-term planning, along with a commitment to maintain safe and environmentally sound school facilities. We will:

- Review and update the five-year financial plan
- Optimize budget monitoring to achieve future growth and expansion
- Implement prioritized projects from the Facility Needs Plan
- Develop a phased bond plan for campus improvements
- Expand and maximize the impact of grant-funded programs
- Review the impact of the implemented Smart Bond projects

III

Develop and Cultivate School-to-Community Partnerships

We pledge to enhance measures used to share information with parents, staff and the community at large, leading to measurable growth and improvement in community involvement in our school district. We will:

- Increase work-based learning opportunities for students
- Identify additional avenues of support for parents
- Measure the impact of professional partnerships
- Grow local partnerships for student and family services
- Measure the effectiveness of enhanced communication platforms
- Diversify community engagement events
- Advocate for key legislative priorities
- Collaborate with the PTA to increase opportunities for family involvement
- Analyze parent resource utilization

IV

Champion a Culture of Wellness and Safety

We pledge to continue to focus on the health and safety of our school community by enhancing district structures and routines, in addition to utilizing the ongoing training, partnerships and resources available to the district. We will:

- Assess systemic impact of the Social Emotional Learning (SEL) continuum
- Continuously review security systems and protocols
- Continuously review cybersecurity practices
- Execute the scheduled review cycle for technological and physical systems
- Implement a Digital Wellness Curriculum that promotes the healthy, responsible, and balanced use of technology while supporting student well-being
- Maximize student focus, peer interaction and hands-on learning by reducing the use of digital devices
