DAC - (Stacy)

- The parent liaison for Parent University is looking for topics.
- Talked about the UIP and use it for this year. It is difficult but work with what we have.
- Budget update from Scott Smith - projections going out SBB to be completed next week for 2016/2017
- Moved up date for better hiring practices.
- Recommendations around spending and budget talk to Peter about carry over.
- Amendment 64 - only money for new schools in certain districts and by grant
- PPR next year will be \$103

Peter/Admin -

- UIP- Addressing academic concerns from PARK data.
- There is no true baseline score because it is a completely different test.
- BLT - Discussed purpose and training involved- informational - Discussed building plan and goal. Alignment of stage 1 and stage 2.
- Later in year will be communication ...
- Peter shared feelings of BLT being very beneficial as teachers are bringing valid pertinent information to the table.
- Rollover funds: Goal is to rollover \$50,000. To use as a cushion for staff as enrollment varies so much. Direction is support for teachers in the classroom.
- No open enrollment for 4th - 6th for 2016/17. Accepted all from K-3rd.
