## What is a School- Parent Compact?

A school compact is a written agreement between a school, its parents and students.

The compact gives strategies to help support students' success in school.

Our parents and staff worked together to develop the ideas of the compact. A Title I meeting is held each year to review and revise the compact based on our academic achievements goals and student's needs.

Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual revision meeting with parents.

We will enhance the character and personal soft-skills development of each student.

We will provide learning environments that are physically safe and emotionally secure for all students, faculty, and staff.
