

BRIDGE TO COLLEGE

Presented by PIQE

Morgan Hill Unified School District invites you to Bridge to College, where families will gain practical tools and valuable resources to confidently support their students as they prepare for college, access financial aid and campus services, and build a successful future!

College is an exciting step—but applications, financial aid, campus life, and new responsibilities can feel overwhelming. Join us to learn practical ways to guide your child through the transition and help them make confident decisions about college and their future.

What We Offer:

- Insights into the emotional, social, and academic aspects of college life.
- Strategies for navigating financial aid, campus resources, and student support services.
- Guidance on leveraging campus resources for academic success.
