

How to Navigate ParentVUE

Version 2026 updates to ParentVUE/StudentVUE can be located here: [V26 Updates](#)

ParentVUE

ParentVUE offers a single sign-on to view school information for a student. If there are siblings, one account is needed to house all the information, regardless of the grade level or school of attendance.

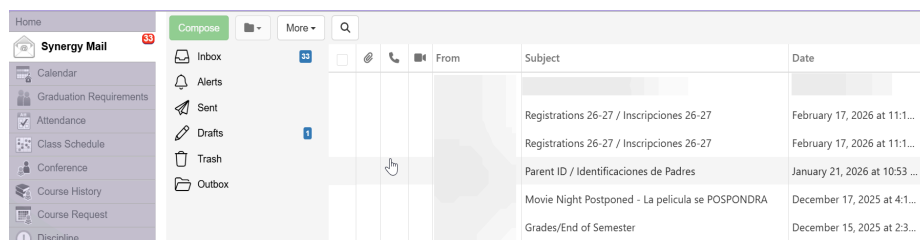

ParentVUE offers access to the student information, classroom information and holds various forms of communication from the school and district for each student. Parents can only see their student's information.

- The **Navigation** bar contains links to display records for the selected student.
 - List of important information, such as Online Registration notifications, grading period dates, conference events, discipline events, school events, attendance notes, and nurse log notes.
- Parents can monitor all students attached to their parent account under the focus menu drop down at the top.
- The **My Account** tab accesses the parent's account information.
- The **Help** tab directs you to the help screen, which contains information provided by the district.
- The **Online Registration** tab opens Online Registration if available.

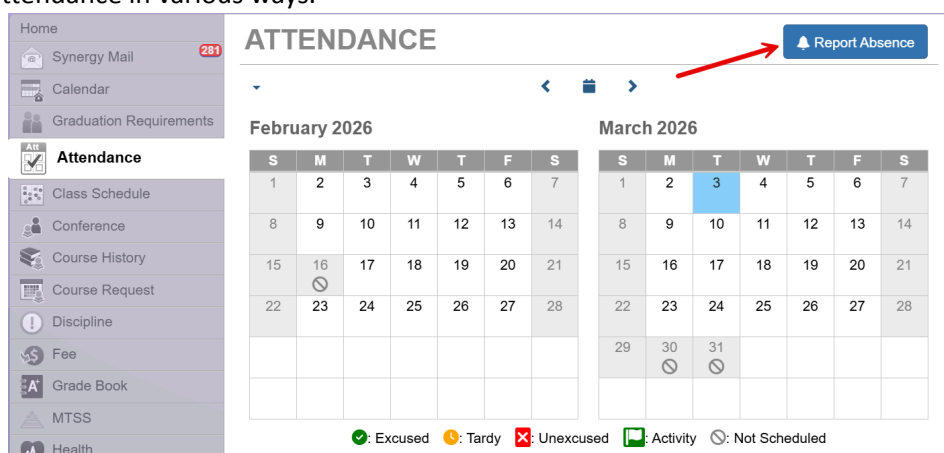

Synergy Mail

Synergy Mail offers parents the ability to communicate with their school staff. School staff can communicate with Parent/Guardian through Synergy mail.

Attendance

The ability to report an absence for your student through the ParentVUE portal. Parents/Guardians have the ability to see your student's attendance in various ways.

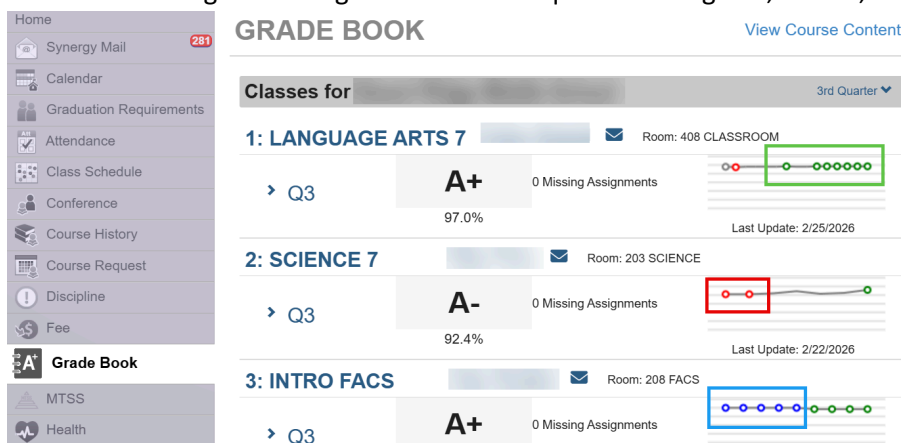

Grade Book

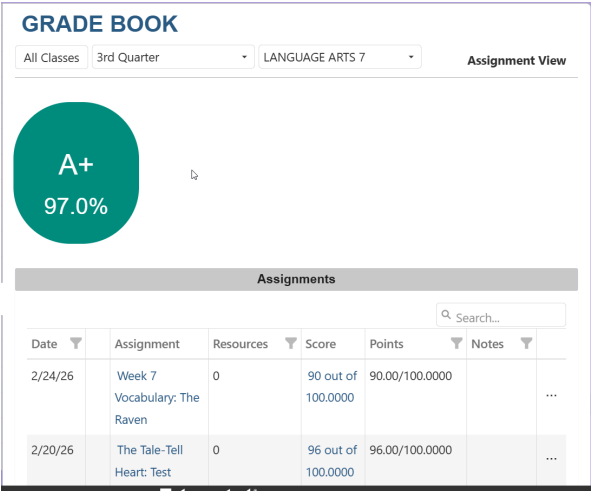

You can view your student's current grades for each class period in each quarter, trimesters, and semesters. Click the course title next to the class period number to see assignment detail. You can send an email to the teacher by clicking the envelope icon (which links to Synergy Mail).

The Grade History Chart shows trends in overall grades for teachers in ParentVUE/StudentVUE.

- Green shows the current value.
- Blue is the highest overall grade earned for the section.
- Red is the lowest overall grade earned for the section.
- The Line represents the overall grade changes that are not equal to the highest, lowest, or current grade.

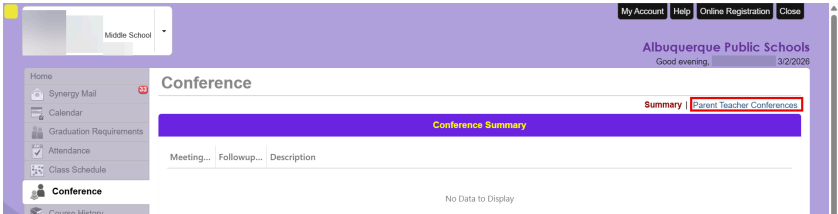

Selecting a Course title opens a detailed grade view for that class. This view provides comprehensive assignment information, including the date, title, and type, along with any resources, the scoring method, points achieved, and teacher notes.

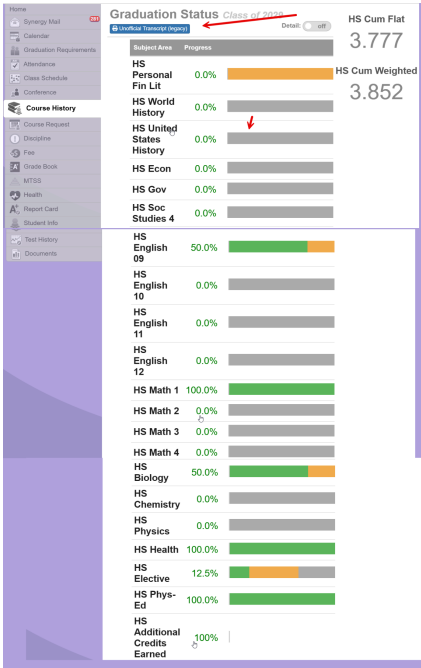

Conferences

You are able to view previous or upcoming scheduled meetings, followups, and description of what that meeting entails. To schedule a conference with your student’s teacher, click on the Parent Teacher Conference Tab.

Course History

Displays the student’s courses and progress towards graduation. Availability to print unofficial transcripts to include grades received for all years, all schools, their cumulative GPA, and graduation ranking.

Discipline

The Discipline tab shows your student's disciplinary record for any school year. This includes the incident date and time, whether it was classified as major or minor, and your student's role. For specific details click on the incident date.

Discipline Summary					
Discipline Summary					
Incident Date	Incident Time	Major/Minor	Incident Role	Description (Public Record) ...	
12/09/2025	2:26 PM	Major	Offender		
11/10/2025	12:20 PM	Major	Offender		
10/01/2025	2:42 PM	Major	Victim		
09/18/2025	12:30 PM	Major	Victim		
08/19/2025	6:30 PM	Major	Victim		
03/27/2025	2:46 PM	Major	Victim		
02/06/2025	12:13 PM	Major	Bystander or witness		
02/06/2025	12:04 PM	Minor	Victim		
05/16/2024	2:02 PM	Minor	Offender	Technically, this incident falls under vandalism. However, due to this being unusual behavior, the admin is not seeking restitution nor asking	

MTSS

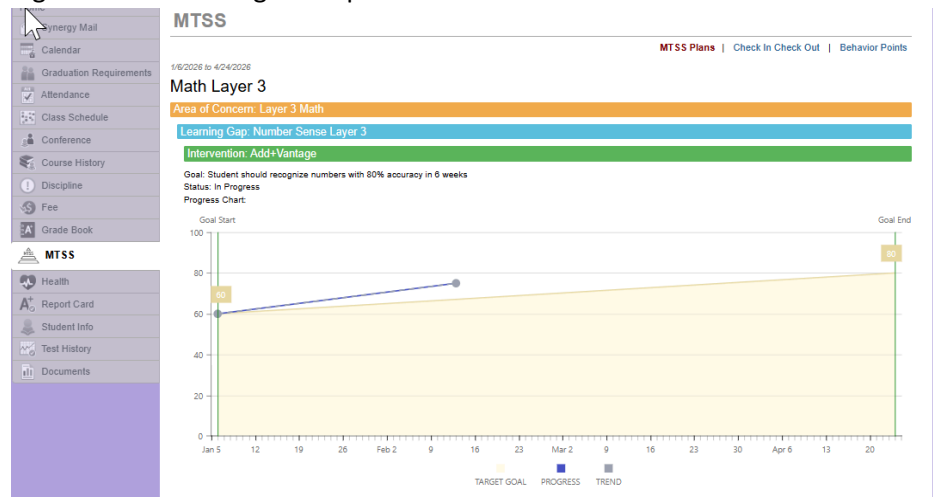

MT(L)SS (Multi-tiered (layer) System of Supports) is a multi-tiered approach to the early identification and support of students with academic, behavioral, and social/emotional needs. Interventions are used to document and support students to prevent long term learning difficulties. Your student's school can use MTSS to track both positive and needs work behaviors using behavior points that, if the school chooses, can be redeemed for items at a school or classroom store.

MTSS Plans Check In Check Out Behavior Points			
Behavior Points with Notes			
Category	Added By	Added On	Notes
Off-task		3/3/2026	Daisy was socializing with peers during today's lesson. This was causing distractions and preventing her from understanding the assignment.
Follows Directions		3/3/2026	Daisy had a fantastic day and was able to follow all classroom instructions.

MTSS is also used to track unwanted behaviors and/or replacement behaviors for a student's Functional Behavior Assessment (FBA) or Behavior Intervention Plan (BIP) using the Check-In/Check-Out (CICO) system. Classroom teachers and administrators can track individually defined behaviors daily using assigned points.

MTSS													
Enrollments													
11/3/2025 - 4/10/2026 (id: 6495)													
Scores													
Week 10 (1/9/2026 thru 1/5/2026)													
1/9/2026 Friday	Followed directions	40%											
1/8/2026 Thursday	Attend class as expected	60%											
	Followed directions	60%											

Academic interventions to teach new skills, build fluency in a skills, or encourage a student to apply an existing skill to new situations or settings are tracked using MTSS plans.

Report Card

Parents can access their student's report card. This view includes Quarter grade, Semester 1/2 exam grade (if applicable), and Final Semester 1/2 grade. Additionally, on this page, you can communicate directly with your student's teacher regarding a grade by clicking the envelope icon.
