PORTRAIT OF A GRADUATE

Our Graduates Possess a deep respect for humanity and the world in which they live. They recognize the unique worth and beauty of all human beings. They respect that the world is populated by a diverse and vibrant variety of people and are open-minded, empathetic, fair, forgiving and honest.

Our Graduates Ask Big Questions, explore ideas across multiple disciplines, and learn to solve problems creatively and collaboratively to thrive in an ever-changing world.

Our Graduates Are Resilient, courageous thinkers who communicate effectively and recognize the value of balance.

Our Graduates Understand that service and action are the outward expressions of inward convictions and they make positive contributions to their community.

Our Graduates Are Lifelong Learners, each on their own unique path toward a purposeful life, shaped by their values, making choices that reflect who they are and what matters most to them.
