

EVENT NOTICE – Monday, October 5, 2026
Fargo Public School District #1

The following information is for media outlets for the purpose of assigning staff coverage to the event.

STUDENTS GETTING ACTIVE ON WALK, BIKE & ROLL TO SCHOOL DAY

Longfellow Elementary School learners are building healthy habits for an active lifestyle as they trade buses and cars for sneakers and pedals for a day. On the way, they'll gain comfort with safe routes to and from school.

WHAT: Walk, Bike & Roll to School Day
WHEN: **Wednesday, October 7** from 7:30 to 8 a.m.
WHERE: Longfellow Elementary School, 20 29th Avenue North, Fargo
CONTACT: **Eric Henrickson**, Longfellow principal, at henrice@fargo.k12.nd.us or 701.446.5004 for more information.

Start up the band, but don't start up your engines. Learners from Longfellow Elementary School have been encouraged to set aside motorized transportation in favor of leg-powered transport for National Walk, Bike & Roll to School Day on October 7. The elementary students will walk, bike, or employ any other human-powered transportation such as scooter, skateboard, or roller blades to get to school. And when they arrive, they'll be greeted by the joyful noise of the North High School pep band.

In addition to a performance by the North pep band, Longfellow's Parent Teacher Organization will have fun activities for learners to participate in before school starts.

National Walk & Roll to School Day is sponsored by the National Center for Safe Routes to School. Through the events held nationwide, it hopes to encourage students to get active and form important habits for a healthy lifestyle.
