Discovery Middle School’s eighth grade band, orchestra, and choir are sharing their musical talents with guests from the local community in a joint concert featuring all three musical ensembles this Friday. Residents from local retirement facilities, parents and guardians, and select other community members have been invited to the “United in Song” concert at Discovery.

The band, orchestra, and choir will each perform individually and then all three ensembles will live up to the concert’s theme as they unite in song for a combined selection featuring all three.

This concert’s theme was conceived to increase community engagement and create opportunities for learners to connect with community members, in conjunction with one of the 2026-27 Fargo Public Schools Strategic Initiatives.

This concert is only for invited guests and is not open to the public. The concert will be livestreamed on the [Discovery Middle School Activities YouTube page](#).
