

Berkshire School - Student Clubs & Organizations 2026–2027

Welcome to Berkshire School's Co-Curricular & Student Club Directory! At Berkshire, student-led organizations provide vital opportunities for leadership, personal growth, community service, and exploration beyond the classroom. Below, you will find our active clubs categorized by focus area to help students and families discover the many ways to engage with our vibrant mountain community.

STEM, Academic & Innovation

The Astronomy Club

The purpose of the Astronomy Club is to educate the student body on outer space and celestial events. We host open observatory nights with stargazing, in addition to a variety of other events. Our ultimate goal is to inspire the student body to be curious and learn more about the cosmos.

Berkshire Environmental Science Club

Environmental Science Education should go beyond faculty-led classes; it should be available to everyone on campus who is interested in our changing climate. This club is student-led, dedicated to exploring the natural world through curiosity, conversation, and hands-on experiences. So much of Berkshire's campus is already sustainable, like Morgan Bellas Dixon and our solar farm. We aim to help students better understand the ecosystems around them, investigate climate questions, and develop a deeper connection to the place we call home through assemblies, Earth Day celebrations, energy conservation week, and community involvement.

Berkshire Mycology Club

Dedicated to exploring the fascinating world of mycology through hands-on cultivation and study.

Beyond AI

The Beyond AI Club focuses on current developments in Artificial Intelligence, how AI might shape the future, and how students should use AI correctly and responsibly. We discuss AI news, its impact across businesses and industries, and engage in interactive conversations regarding the pros and cons of this rapidly changing technology.

Chess Club

The purpose of the Chess Club is to create an environment where chess can be played, enjoyed, and learned. We host monthly chess meetings and campus-wide tournaments open to the entire student body.

Engineering and Design Club

The goal of the Engineering and Design Club is to introduce new engineers to Computer-Aided Design (CAD) and develop the design skills of those with prior knowledge. Members apply these skills in hands-on projects including laser cutting, 3D printing, bridge building, and more.

Linux Club

The Linux Club is a beginner-friendly space to explore the capabilities of computers through Linux by customizing desktops, discovering useful software tools, and building small tech projects.

Math Club

The Math Club dives into deeper subjects of mathematics that go beyond the standard classroom curriculum. Members solve challenging problems practicing logic, reasoning, and critical thinking, and participate in interscholastic competitions with other schools.

Science IRL (Science In Real Life)

Science IRL aims to promote interest in chemistry, biology, physics, and environmental science across our community. Through monthly meetings, lab sessions, trips, journal discussions, and All-School Meeting presentations, we share scientific knowledge and foster curiosity in a fun, inclusive environment.

Arts, Culture, Crafts & Performance

Art For Change

Dedicated to creating impactful artwork that communicates meaningful messages and inspires positive social awareness.

Art for the Ages

Art for the Ages is a student-led club dedicated to bringing the joy and benefits of creative expression to older adults in our neighborhood. Through regular visits to a local nursing home, members lead accessible art activities—including painting, drawing, and beading—designed to support residents' cognitive function, fine motor skills, and

emotional well-being while building meaningful intergenerational connections.

BIMP (Berkshire Improv)

BIMP is Berkshire’s improv and comedy club. Meeting weekly, members learn basic improv and performance skills, embrace mistakes, and gain confidence, concluding with two major community-wide performances each year aimed at bringing joy to the campus.

The Classics Club

The Classics Club is dedicated to sparking student interest in Latin and creating a welcoming space to explore ancient Graeco-Roman cultures and beyond. By presenting classics in modern, engaging ways—such as tasting authentic ancient Roman recipes—we challenge the stereotype that ancient languages are "hard or dead." *Pro Vita Non Pro Schola Discimus*—We learn for Life, not for School!

Craft Club

The Craft Club brings the Berkshire community together to relax, connect, and get creative through fun, easy, and trendy DIY projects. Whether trying popular crafts or simply unwinding, the club provides an open, carefree space for everyone to make something special.

French Club

Enriching Berkshire students in French culture and language. Whether you are fluent or completely new to the language, this is an open space for everyone to embrace French history, food, and traditions.

Vital Fuel

Vital Fuel views food as a powerful medium to share stories about culture, identity, and community. Every dish reflects heritage and history. Through culinary workshops and events, members explore where food comes from, why culinary traditions matter, and how food connects us to our shared human experience.

Community Service, Advocacy & Leadership

The 1907 Society

Named after the year Berkshire School was founded, the 1907 Society bridges the past and present by connecting alumni with current campus life. Celebrating its 30th year, members participate in phonathons for the Annual Fund, share campus updates, and support alumni relations.

Banned Books Club

Dedicated to educating the Berkshire community on the importance of diverse literature in education, with a special focus on examining and discussing challenged and banned books.

Bears Against Breast Cancer

Bears Against Breast Cancer aims to raise awareness, educate the school community, and lead fundraising initiatives in support of breast cancer research and patient care.

Care Bears

Focused on raising awareness for homeless shelters through fundraising projects, community drives, and potential Pro Vita winter session initiatives.

Choose Love Club

Promotes the core values of the Jesse Lewis Choose Love Movement—courage, gratitude, forgiveness, and compassion in action—encouraging students to actively practice these principles in daily boarding school life.

HAM (Heroes Around Me)

Dedicated to celebrating everyday heroes who make the Berkshire community a better place. Members conduct interviews and produce video stories to spotlight these unsung contributions.

Kids Join the Fight

A non-profit chapter supporting children and families affected by pediatric cancer. Students organize events to raise awareness and funds, uniting the campus around a meaningful cause.

One Love Foundation at Berkshire

Raises awareness about healthy versus unhealthy relationship dynamics. Brings the campus together through athletic events, games, and discussions promoting One Love's relationship education mission.

Veterans Appreciation Club

Partners with the Catch A Lift Fund to support post-9/11 military veterans. Holds fitness challenges, merchandise fundraisers, and awareness events for all fitness levels across campus.

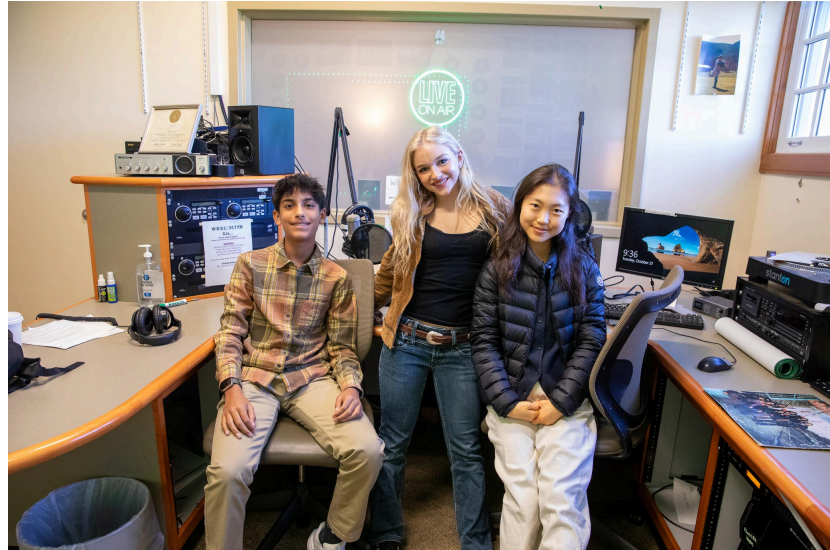

Wily Network Club

Supports young adults aging out of foster care as they transition into college by writing encouraging letters, assembling back-to-school care packages, and supporting higher education access.

Business, Entrepreneurship & Media

Bear Tank

Gives students a low-pressure, creative space to develop business, product, or invention ideas and learn how to construct a business pitch. Twice a year, members pitch their concepts in a "Shark Tank" style presentation to a panel of faculty judges for awards.

Berkshire Investors

Utilizes Young Investors Society curricula and participation in the Wharton Investment Competition to build financial literacy. Members analyze markets, evaluate stock portfolios, and learn foundational investment strategies.

Green and Gray Newspaper

Berkshire's primary student-run publication chronicles campus life through news, op-eds, photography, and creative writing. Rooted in ethical journalism and collaborative storytelling, it keeps the community informed on school and global affairs.

Personal Finance Club

Fosters practical financial knowledge, analytical thinking, and informed economic decision-making, providing students with tools to manage personal finances in an increasingly complex global economy.

Sports Media Club

Aims to expand sports broadcasting, journalism, and media coverage across Berkshire athletics, making sports coverage engaging and accessible to the broader school community.

WBSL Radio

Provides a creative broadcast platform where students host radio shows, discuss campus happenings, comment on global news and music trends, and express their individual perspectives on air.

Culture, Faith & Global Affairs

Christian Affinity Group

A welcoming space for students to explore faith, build friendships, celebrate holidays, participate in prayer/Bible studies, and engage in community service. Open to all students, practicing or curious.

Jewish Affinity Group

An inclusive, warm affinity group for religious, practicing, or curious students to connect, celebrate Jewish holidays and culture, and foster community bonding.

Model UN

Prepares students to participate in interscholastic Model United Nations conferences, deepening their understanding of international relations while cultivating public speaking, diplomacy, research, and debate skills.

Recreation, Special Interest & Outdoors

Bee Club

Teaches students the ecological importance of pollinators. Members learn practical beekeeping skills, honey harvesting, and environmental stewardship activities.

Car Culture Club

A community for automotive enthusiasts to collaborate, discuss automotive engineering and culture, and organize outings to local car shows and racing events.

Fourths Soccer

Offers informal weekend pick-up soccer games focused on exercise, fun, and camaraderie. Perfect for students wanting to stay active, practice skills, or play casually with friends.

Outing Club

Embraces the outdoors through hiking, trail running, biking, and swimming. Includes popular weekly sunrise hikes to South Pinnacle. Open to all experience levels.
