Dear Parent(s)/Legal Guardian(s):

All schools within the Baldwin County School District are very proud of our teachers and we feel they are ready for the 2026-2027 school year and are prepared to give your child a high-quality education. Within our district, we are required to meet federal regulations under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB) related to teacher qualifications. In compliance with the requirements of the ESEA/NCLB, parents, you have the right to request information about your child's teachers' training and credentials. The following information may be requested:

1. Whether the student's teacher:
   - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
   - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
   - is teaching in the field of discipline of the certification of the teacher.

2. Whether your child is provided services by paraprofessionals, and if so, their qualifications.

Please rest assured that our staff is committed to helping your child reach his or her maximum academic potential throughout their school career. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and delivering quality instruction to your child. If you wish to request information concerning your child's teachers' qualifications, please contact your child's principal. The school principal and contact information are listed below:
