Parent & Family Engagement (PFE) Program

What is it?	Wisdom High School believes parents play a vital role in education. The school works to build a strong partnership among students, parents and families, teachers, the school, and the community. Through Title I, Part A, Wisdom supports meaningful parent and family engagement so families understand curriculum, academic standards, assessments, school policies and procedures, student progress, and ways to work with educators to improve achievement.
Funding	Wisdom High School involves parents of students served through Title I, Part A in decisions about the use of funds reserved for parent and family engagement. The school also builds parent and school capacity for strong engagement and provides reasonable support for family engagement activities as parents may request.
Review	Wisdom High School conducts an annual evaluation of the content and effectiveness of its Parent and Family Engagement Policy. Parent and family feedback is used to identify barriers to participation, strengthen engagement strategies, and revise the policy when needed. A spring family survey also informs the Comprehensive Needs Assessment and Campus Improvement Plan.
Family Meetings	Wisdom High School will hold annual meetings to review the Family Engagement Policy and School-Parent Compact. Families also participate through Title I meetings, Shared Decision-Making opportunities, the Parent Teacher Association, Volunteers in Public Schools, and campus planning committees. Meeting and event details are communicated by the campus.
How to be involved	• Attend Title I meetings, Open House, GT Fair, tutorials, and other family engagement opportunities. • Participate in the Parent Teacher Association, Volunteers in Public Schools, Shared Decision-Making, or campus planning committees. • Use HISD Connect, PowerSchool, ParentSquare, Canvas, the Wisdom HS website, and the HISD website to stay informed. • Engage with teachers and staff, monitor your child's progress, and provide feedback through campus surveys and meetings.
Family Trainings/ Activities	Wisdom High School provides coordination, technical assistance, and support for parent and family engagement activities designed to improve student achievement and school performance. • Training on how to access the Wisdom HS website, HISD website, HISD Connect, PowerSchool, ParentSquare, and Canvas. • Family engagement opportunities connected to Open House, GT Fair, tutorials, and dropout prevention. • Support linked to Special Education, ESL/Bilingual programs, reading programs, and before-, during-, and after-school interventions. • Assistance in understanding the school report card, state academic standards, state/district/campus assessments, Title I requirements, student progress monitoring, and how to engage with faculty and staff.
Curriculum	Wisdom High School supports families in understanding curriculum and the academic expectations connected to student achievement. Parent and family engagement activities are

	designed to strengthen the partnership between home and school and support student success.			
Forms of Academic Assessments	Wisdom High School provides assistance to parents and family members in understanding state, district, and campus academic assessments and how assessment information can be used to monitor student progress.			
Expected Achievement Levels on Academic Assessments	Families are provided support in understanding the State of Texas student academic achievement standards, the school report card, and expectations for student performance. Families are also supported in learning how to monitor their child's progress.			
Ways to Request regular meetings	Wisdom High School welcomes parent and family participation, feedback, ideas, and requests for reasonable support. Families may engage with faculty and staff and participate in campus meetings and committees. The main office may be reached at 713-787-1700.
