- Stay informed by reading school communications and attending parent-teacher conferences, workshops, and school events.
- Support Wisdom High School's cultural inclusivity by encouraging my child to respect all peers and teachers, regardless of language or background.
- Reinforce the cell phone ban policy by talking with my child about the importance of being present, engaged, and free from digital distractions during the school day.
- Respond promptly to communication from the school and work collaboratively with teachers and administrators to support my child's learning.

WHAT IS A SCHOOL-PARENT COMPACT?

A school-parent compact serves as a conduit for conveying shared goals, expectations, responsibilities, visions, and best practices between teachers and families. By establishing a binding agreement between the school and home, the compact fosters a collaborative environment to work harmoniously towards the betterment of each child.

JOINTLY DEVELOPED WITH PARENTS/GUARDIANS

The school-parent compact was developed through collaborative efforts among parents/guardians, students, and staff. Teachers actively engaged with their subject area teams to devise practical strategies for parents/guardians to implement at home. Valuable feedback from parents/guardians regarding their needs in supporting their students was provided. Additionally, students contributed their ideas as well which were incorporated into the compact.

Annual meetings are conducted to assess and modify the compact based on the school's academic achievement goals and the evolving needs of students. Parents/guardians are encouraged to offer feedback throughout the school year. For more information, please call 713-787-1700 or visit our school website.
