

Graduation Regalia

Deadline: October 31

If you would like to order additional items from Jostens, please continue to browse their site through the same link that is listed below. If you want to order only your graduate's cap, gown, and tassel, please follow the specific steps that are included to ensure that you will not be charged anything extra.

As always, if you have any questions or concerns along the way, please let Mrs. Stuller, Senior Class Advisor, know. If you do not feel comfortable completing this order on your own, send your graduate's height and weight to stuller.h@rvsdpa.org, and she will forward your senior the order confirmation when she places your order.

Josten Website Helpful Ordering Guide

[Jostens' Panthers Graduation Central](#)

If you only want to order the district-paid cap, gown, and tassel,
please follow the directions below.

1. Click the link above or access Jostens' River Valley Graduation Central at <https://www.jostens.com/apps/store/customer/1045609/River-Valley-High-School>
2. Click "Graduation Shop" under the heading "Show Your Panthers Pride"
3. Scroll down the page and click "Shop All Graduation Products," as a blue button at the bottom under the heading "Shop Graduation Products"
4. Scroll down past the sections titled "Cap and Gown Packages" until you see Announcements & Cards, Apparel Tops, Apparel Bottoms, and "Cap & Gown," and click "Cap & Gown Unit"
5. Select the range of your graduate's height and weight AND choose either male or female (we wear the same black gown, but this is an option you must choose). Then click NEXT: Add a Keepsake Tassel. If you choose a tassel at this point that is different than the one we get with our basic package, it will add a cost. You must click "No Thanks" and then "NEXT: Add Apparel"
6. Apparel options are next and will also add a cost to your purchase, so you must click "No Thanks" and then "NEXT: Add Announcements." The picture that you will be shown for the announcements is the exact way that our announcements will look if you choose to purchase them through Jostens. You can add those here, but if you only want the cap and gown that is paid for by the district, you must again click "No Thanks," and then "NEXT: Name Cards" will change to "NEXT: Review". Click "NEXT: Review"

7. Confirm that everything looks correct. Finally, click "Add to Cart"
8. Type in your graduate's first name and last name. This is how the sticker will read for me to distribute gown sets, so it doesn't have to be their formal name. Confirm that your subtotal is showing 1 item and that your balance is \$0.00. Then click "Checkout"
9. You do not have to create an account. You can under NEW CUSTOMERS, just click "Continue as Guest"
12. Enter your contact information with your name, email, address, etc. You can uncheck the boxes under preferences if you do not want additional contact with Jostens. Then click "Checkout." You should see the screen change to show your order details, and you should receive an order confirmation.
13. ** Your graduate's regalia will be shipped directly to the school in the spring.
