

Senior Yearbook Photo

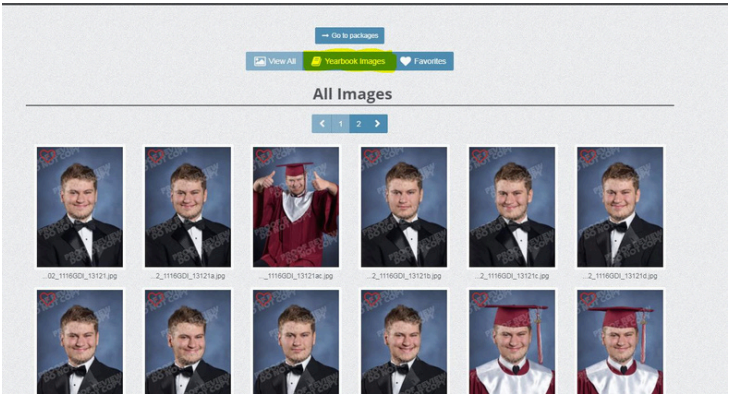

Directions: You can choose the school photographer's yearbook picture proof OR your own senior picture to include in this year's yearbook. Please follow the directions below for your choice.

Deadline: November 6

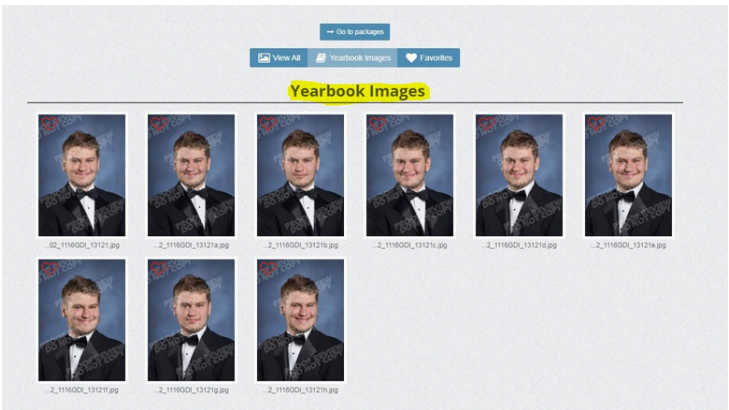

If you would like the school-taken senior portrait in the yearbook:

Please see the attached file to help you select the school photographer's yearbook picture proof.

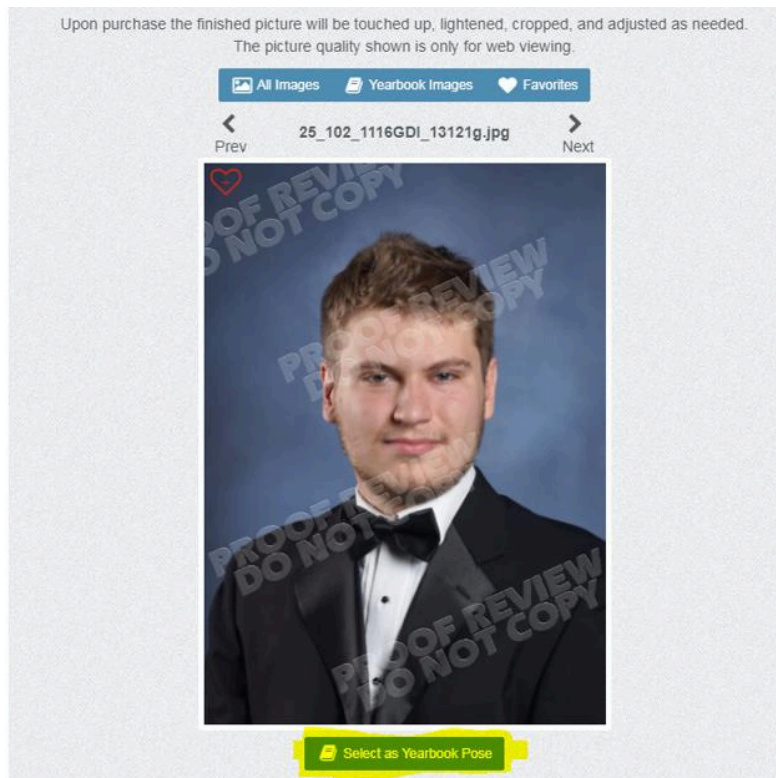

Log into the Storefront with the student's password/access code. There are three boxes above the student's picture, Select Yearbook Images.

Click an image to select it,

Click the blue box beneath the image that says "Select as Yearbook Pose".

Once the "Select as Yearbook Pose" button has been selected, a screen will populate information boxes asking for the first and last name, telephone number and email address and click the "Confirm Selection" button below the information entered.

Confirm Yearbook Selection

Please double check and confirm your selection below.
Changing this selection at a later date will require a \$25 processing fee.

If you would like to have your own senior picture in the yearbook rather than the school-taken senior portrait, please scan the QR code below and upload your photo:

- File format: High-resolution JPEG (JPG) is standard; avoid PNG, TIFF, or HEIC
- Resolution: Must be at least 300 DPI at the final print size
- Orientation: Vertical (portrait) orientation is mandatory; landscape or horizontal photos are rejected
- Aspect ratio & framing: Usually a close-up head-and-shoulders or waist-up shot with a 2x3, 3x4, or 4:5 crop ration
