In recognizing the traditional custodians of the land, we pay respect for the Chumash people, the history and culture of the community, and all Native Americans as America's First Peoples. We pay respect to the Chumash Elders past, present, and future for they hold the memories, the traditions, and the culture of this area, which continues as a place of learning; and

WHEREAS, Native American Heritage Month is an opportunity for the Conejo Valley Unified School District to honor the important contributions, achievements, and sacrifices, Native Americans have made distinctive to Ventura County and across the state of California and the United States; and
