Homecoming at AHS is one of our best traditions. AHS encourages students to get involved in activities and events during the school year. The dance will feature dancing and a DJ, games and activities, 3 food trucks, and a photo booth area. Thank you to Mrs. McCusker and Ms. Becker (our Activities Directors) and the AHS Student Council for their hard work planning our entire Homecoming Week!

We are excited to hold this event and to see you dressed up and ready for a fun evening. A couple reminders as you prepare... **There's a lot here so please be sure to review...**

TIMES AND IMPORTANT REMINDERS

Time of the Dance: 7:00 - 10:30 pm

Doors Open: 7:00 pm at the main entrance

No student may be admitted after 8:00 pm (please plan to be here before then!)

For any student who wishes to leave the dance before it ends, the earliest you can do so is 8:00 pm.

Important: Students may not re-enter the dance/campus once they leave.

ENTERING THE DANCE

Student ID Cards REQUIRED: You must have your ID with you to enter the dance and with you at all times at the dance. Outside guests must have their school's student ID, a state ID, or driver's license.

Dance Check In: AHS Administration and our security for the event will have check in tables when you line up for entry. This is only to ensure that no prohibited items are brought into the dance. We *recommend* that students do not bring a purse or bag so you can pass through security quickly and begin your fun night!

Prohibited Items (these will be taken from you at check in if you bring them):

- Gum/Mints
- Hand Sanitizer
- Perfume/Cologne/Body Spray
- Lotion, Hand Cream
- Medication (for any medication that you are required to take during dance hours - please contact Mrs. Yedor)
- Water/liquids (**water bottles of any kind are not allowed**)
- Food, Snacks
- Pepper spray or Weapons

- Lipstick, lip gloss, chapstick, or lip balm (not allowed)

(Students will be able to pick any item - not already prohibited by AHS/LVUSD - up on Monday, October 26 in the Attendance Office - but it is best to leave these in the vehicle you came to the dance in.)

OTHER IMPORTANT & INFORMATION

Behavioral Expectations: All AHS behavioral expectations apply. Students violating these will be removed from the dance and a call will be placed to your parent/guardian for you to be picked up or that you are leaving campus if you transported yourself. (Please be sure any outside guest is aware and adhering to these rules as well.)

Outside Guests: If you are bringing a friend from outside of AHS, this needed to have been pre-approved by the Activities Office and needed to have purchased a ticket for them already. Please note, you are responsible for the behavior of your guest. If your guest is removed by AHS Administration from the dance for any behavioral concern, your parent/guardian will be called and you will need to leave with that person.

Supervision of the Event: AHS Administration and approximately 10 staff will be on hand to supervise the event. PFC volunteers will be on hand as well (thank you, PFC!). We also have contracted with a district approved security company for check in and event monitoring.

Shoes/Footwear: While we know many of you have worked hard to find the perfect shoes for your outfit, we also realize that often dress shoes (heels, etc) can become uncomfortable (no matter how good they look in the pre-dance photos). Please remember that you must wear shoes at all times for your safety. ***Often times, people bring a more comfortable shoe to change into or just only wear casual/comfortable shoes overall.*** Please also remember that AHS is not responsible for your shoes if you bring a change and set your dress shoes aside somewhere.

Food and Drinks: Student Council will have complimentary dessert and drinks monitored by AHS Administration and PFC. ***There will also be 3 food trucks for attendees (no fee).***

For any questions, please come to the Attendance Office to get them answered. We know you will have a fantastic time at Homecoming!

Thank you,
AHS Administration and Student Council
