FY27 Non-Certified Salary & Benefits Report
(Public Act 97-0609)

This legislation required school districts to create a report for the base salary and benefits of all Illinois Municipal Retirement Fund (IMRF) employees receiving a total compensation package that exceeds $75,000 annually. This report must be posted on the district's website within six days of approving an annual budget. For this report, benefits include vacation days, sick days, bonuses, annuities, and retirement enhancements.
