- Band (Carnegie Unit)
- Piano (Carnegie Unit)
- Chorus (Carnegie Unit)
- FACS (Home Ec- Carnegie Unit)
- Agriculture (Carnegie Unit)
- Quest for Success (Carnegie Unit)
- Yearbook

WHAT'S A CARNEGIE UNIT?

- Carnegie units are the credits awarded for successful completion of high school courses. Students earn credits by passing a year long class.
- Also called: *Carnegie Unit*, *Carnegie Credit*, or *Unit*
- Some 7th grade electives and *most* 8th grade electives are worth one Carnegie Credit (High School Credit)
- All courses that are Carnegie Units will say (JHS) next to the course name on student schedules.

CARNEGIE UNITS

- If your student takes a Carnegie Unit course, both semester grades (not the year average) will show on the high school transcript
 - Example: 1 Semester (1/2 year) = 0.5 credit
- 80%- Classwork
- 20%- Semester Exam

TRANSCRIPT

GPA & Grading Scale before 2024-25

A=3.500-4.000 92.500-100.000

B=2.500-3.499 84.500- 92.499

C=1.500-2.499 74.500- 84.499

D=1.000-1.499 66.500- 74.499

Test Date

The above named student has passed all required components of the Graduation Test: NO

- CP = # of credit pursued
- CE = # of credits earned

GPA

- Carnegie units earned in junior high will not be used to determine class rank, but will be calculated into overall Grade Point Average (GPA)
 - **GPA** –The average of all Carnegie unit courses per semester, using letter grades. On a 4.0 scale, an A receives 4 points, B = 3 points, C = 2 points and a D = 1 point.
 - Ex: Student earns an A 1st semester and a B 2nd semester.
 - $4 + 3 = 7$
 - $7 \div 2 = 3.5$
 - **3.5 GPA**

ATTENDANCE POLICY FOR CARNEGIE UNIT COURSES

- Credit **WILL NOT** be awarded if your student misses more than **five (5) days** of non-exempt excused absences, unexcused absences, and/or suspensions per semester.
- Seat time Recovery Requirement
 - Students in danger of failing due to excessive absences may be allowed to make up missed seat time held outside of the regular school day. The makeup sessions must be completed before the end of the current semester for students enrolled in high school credit courses.

ART

7th grade/8th grade: Art I (Carnegie Unit)

- Art offers a year-long course experimenting with the elements and principles of basic design. Students will learn to use colored pencil, graphite, ink, oil paste, 3D sculpture, mask making, and paint to create their compositions. Drawing will begin with abstract concepts and will end with realistic images, including human drawing and sculpture. The class will also cover the historical significance of art and how it relates to today's society and issues, through individual and group project settings.
- *Students may not take Art in both 7th and 8th grade.*

AGRICULTURE

7th grade or 8th grade: Career Readiness Agriscience, Agribusiness, Natural Resources (Carnegie Unit)

8th grade: Agriculture Science I (Carnegie Unit)- prerequisite: Career Readiness Agriscience

- This is a survey course involving leadership, agricultural mechanics, soil, animal and plant science. FFA leadership activities such as parliamentary law, public speaking, small engines, agricultural economics, and occupational information are also stressed. A student enrolled in this course must also become a member of FFA with dues of \$30, where he/she may participate in livestock projects, career-based competitions, and attendance in leadership camps and conventions. Dues cover an FFA tshirt, travel expenses for teams, FFA activities and meetings throughout the year, and contest registrations.

BAND

7th grade: Introduction to Band

- This is a performance based course. Students will learn sight-reading skills, music notation and proper performance techniques.
- They will also have opportunities to perform at school, football games, music festivals, and community events. There are also future opportunities for travelling with the band across the country to perform.
- There will be a fee for music and materials needed throughout the year.

8th grade: Band (Carnegie Unit)

- The advanced band is the top performing ensemble for Boyet Jr. High.
- This is a performance based course. Students will continue to develop music theory skills, develop Playing technique, and continue developing an understanding of Wind band music.
- They will have the opportunity to audition for District IX Honor Band and All-State Honor Band, participate in St. Tammany Parish Large Ensemble Festival, Christmas performances and concerts at school and in the community, as well as traveling to different states to perform.
- There will be a fee for music and materials needed throughout the year.

CHORUS

7th grade: Introduction to Choir

- This is a performance based course. Students will learn sight-singing skills, music notation and proper singing and performance techniques. They will also have opportunities to perform at school and in the community. There will be a fee for music and materials needed throughout the year.

8th grade: Chorus (Carnegie Unit)

- This is a performance based course. Students will continue to develop music theory skills, develop a healthy vocal technique, and continue developing an understanding of choral music, have the opportunity to audition for District IX Honor Choir, participate in St. Tammany Parish Large Ensemble Festival, Christmas performances and concerts at school and in the community. There will be a fee for music and materials needed throughout the year.

PIANO

7th grade: Introduction to Piano

- This class will teach introductory piano skills and the fundamentals of reading music. A beginning piano book will be required. A fee from materials and supplies are required.

8th grade: Piano (Carnegie Unit)

- Students will continue to develop and advance their personal keyboard and theory skills through independent practice and performance, as well as, ensemble playing within the classroom. A fee from materials and supplies are required.

FAMILY & CONSUMER SCIENCE

7th grade/8th grade: Family and Consumer Sciences (Carnegie Unit)

- This course examines multiple life roles and responsibilities of individuals and family members. The focus is on the areas of personal and family living, wellness, nutrition and foods, financial management, living environments, appropriate child development practices, and transferring school skills to life and work. Through simulated experiences, students learn to fulfill their responsibilities associated with the work of the family and community.
- *Students may not take Family & Consumer Science in both 7th and 8th grade.*

QUEST FOR SUCCESS

Quest for Success (Carnegie Unit)

- *8th grade only*
- This class is designed to introduce students to the skills they will need to succeed in school, on the job, and on their own. The class serves as a guide to prepare the students for a career and become a productive member of the workforce. They learn workplace skills, life skills, and explore a variety of careers and which skills they need to acquire the career of their choice.

IBCA (Intro to Business Computer Applications)

7th grade: IBCA (Carnegie Unit)

- This course is designed to provide students with basic computer application skills. Topics include basic keyboarding functions and a concentrated focus on Google suite web based programs (Docs, Slides, and Sheets). Students will explore a variety of applications using these programs for personal, academic, and business use.
- *7th grade only*

YEARBOOK

7th grade & 8th grade

- Course is dedicated to producing documentation of the full academic and extracurricular events in student life in the form of a yearbook publication. Hands-on instruction includes design, photojournalism, writing, marketing, advertising, and using online publishing software. Students must have strong organizational and writing skills, as quality work and meeting deadlines are essential. Attendance of some school events after school hours and off campus is required.
- *Requirement:*
 - *Academic: A/B average*
 - *Application due by **April 17th**: <https://forms.gle/31BdZ7kDigwoKmXg7>*

SELECT YOUR ELECTIVE REQUESTS

- You will only take ONE elective class.
- You will request THREE classes through the Google Form. We will place you in one of the three you request.

7th grade (Current 6th graders): <https://forms.gle/1Pa3WGCqL2gJirgu5>

8th grade (Current 7th graders): <https://forms.gle/ZM1Gb4guwZFEqk6n7>
