CENTER STREET CELEBRATES 6C'S DAY

The 5th grade Center Street Cubs participated in activities built around our Six Competencies!

2

DENTON PREPARES FOR HERRICKS HOMECOMING

The Denton Ducks sign Herricks Homecoming Banner to help cheer on the Highlanders at Homecoming!

3

SEARINGTOWN SCOTTIES "FIND SOMEONE WHO..."

Searingtown Scotties get to know each other and make new friends in a fun activity!

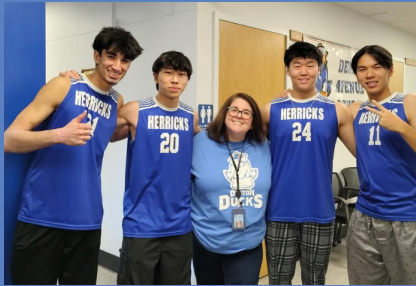

4

NATIONAL MERIT SCHOLARSHIP SEMIFINALISTS

Five Herricks Highlanders were selected as semifinalists for this years National Merit Scholarship!

DENTON AVENUE PREPARES FOR HERRICKS HOMECOMING

Denton Avenue students enjoyed a special visit from Herricks High School student-athletes to help gear up for Homecoming! Each grade helped sign the banner that will be used to cheer on the Highlanders at this year's Homecoming game. It was a fun and spirited way to build excitement and school pride!

CENTER STREET 6 C'S DAY

The 5th grade Center Street Cubs participated in activities built around our Six Competencies!

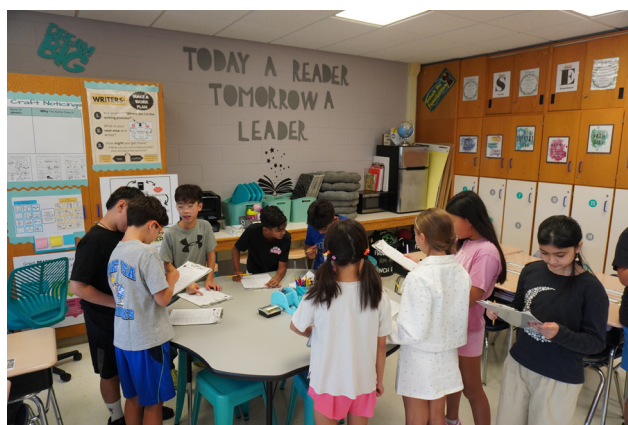

The fifth-grade Center Street Cubs took part in 6Cs Day! Students were mixed into five groups with peers from different classes to engage in activities that highlighted cooperation, communication, collaboration, and critical thinking. From solving puzzles to untangling human chains, our Cubs worked together to overcome each challenge. Their spirit and compassion were on full display as they encouraged one another to keep going, even when tasks became tricky! This fun and engaging day not only helped students live out the Herricks Compact but also strengthened the 6 Competencies: collaboration, critical thinking, communication, confidence, creative innovation, and compassion. Thank you to our amazing fifth-grade team for creating such a meaningful and memorable experience for our students!

SEARINGTOWN SCOTTIES “FIND SOMEONE WHO...”

The start of a new school year can feel nerve-racking. Entering a new class with new classmates and a new teacher can be intimidating, so to help ease those first-day jitters, the fifth-grade Searingtown Scotties participated in a “Find Someone Who...” activity. This fun exercise gave students the chance to connect, discover things they have in common, and begin building new friendships.

MIDDLE SCHOOL DEVICE UPGRADES!

To ensure a successful start in a new school, Herricks Middle School sixth graders traded in their old devices for new Chromebooks! Thank you to our technology department for making the process smooth and for setting up our students with everything they need for a successful year.

HERRICKS HIGH SCHOOL STUDENTS PERFORM WITH PRESTIGIOUS JAZZ ENSEMBLE

Congratulations to Herricks High School seniors Nick Quan and Edwin Ko, who were accepted into a prestigious jazz ensemble that performed on September 13 at The John and Alice Coltrane Home's presentation of The Coltrane Legacy in the Classroom. They were among only eight jazz musicians selected from across Long Island. This is a tremendous honor, and we are so proud of Nick and Edwin!

NATIONAL MERIT SCHOLARSHIP SEMIFINALISTS!

Congratulations to five of our Herricks Highlanders who have been named National Merit Scholarship Semifinalists! The 2026 National Merit Scholarship Semifinalists from Herricks High School are Inderpal S. Chadha, Ariel Huang, Thomas B. Joseph, Isabelle Tsui, and Nicholas Yanzhe Wang.

These exceptional students were selected from approximately 1.3 million entrants nationwide based on their outstanding performance on the PSAT/NMSQT. As some of the highest-scoring students in their states, they represent the top 1% of U.S. high school seniors.

Being named a National Merit Semifinalist is one of the most prestigious academic honors a high school student can achieve, recognizing not only academic excellence but also dedication and hard work. We are incredibly proud of our students and wish them the best of luck in the next phase of the competition!
