PUBLIC SCHOOLS

2025-2026 MANHASSET COMPREHENSIVE PERFORMANCE REPORT

Finalized Academic Achievement & College Readiness Data

Finalized results for the 2025-2026 academic year highlight consistent proficiency in core subjects, significant growth in Advanced Placement participation, and perfect graduation rates within the Manhasset Public Schools district.

K-8 ACADEMIC PROFICIENCY & REGENTS MASTERY

88%

Math Proficiency across Grades 3-8

Finalized 2026 state assessment data shows a collective proficiency rate of 88%.

2026 Final Results

74%

Grade 5 Science Proficiency

Mastery levels in elementary science increased to 74% during the 2026 period.

78%

Algebra 1 Mastery

Students continue to demonstrate high-level performance on foundational secondary mathematics exams.

COLLEGE READINESS & GRADUATION OUTCOMES

97%

AP Exam Success Rate

Out of 1,942 exams taken, 97% scored a 3 or higher.

2026 Final Results

99.6 %

Graduation Success

Achieved a 99.6% Regents/Local Diploma graduation rate for the 2026 cohort

98%

Enrollment in 4-Year Colleges

Nearly the entire graduating class successfully transitioned to four-year higher education institutions.

Comparison of 2026 Final Results

Category	2026 Final Result
ELA K-8 Proficiency	82%
AP Students Scoring 3+	661 Students
Advanced Regents Diplomas	89%

Mathematics – NYS Assessments (Grades 3-8)

Gemini Notebook

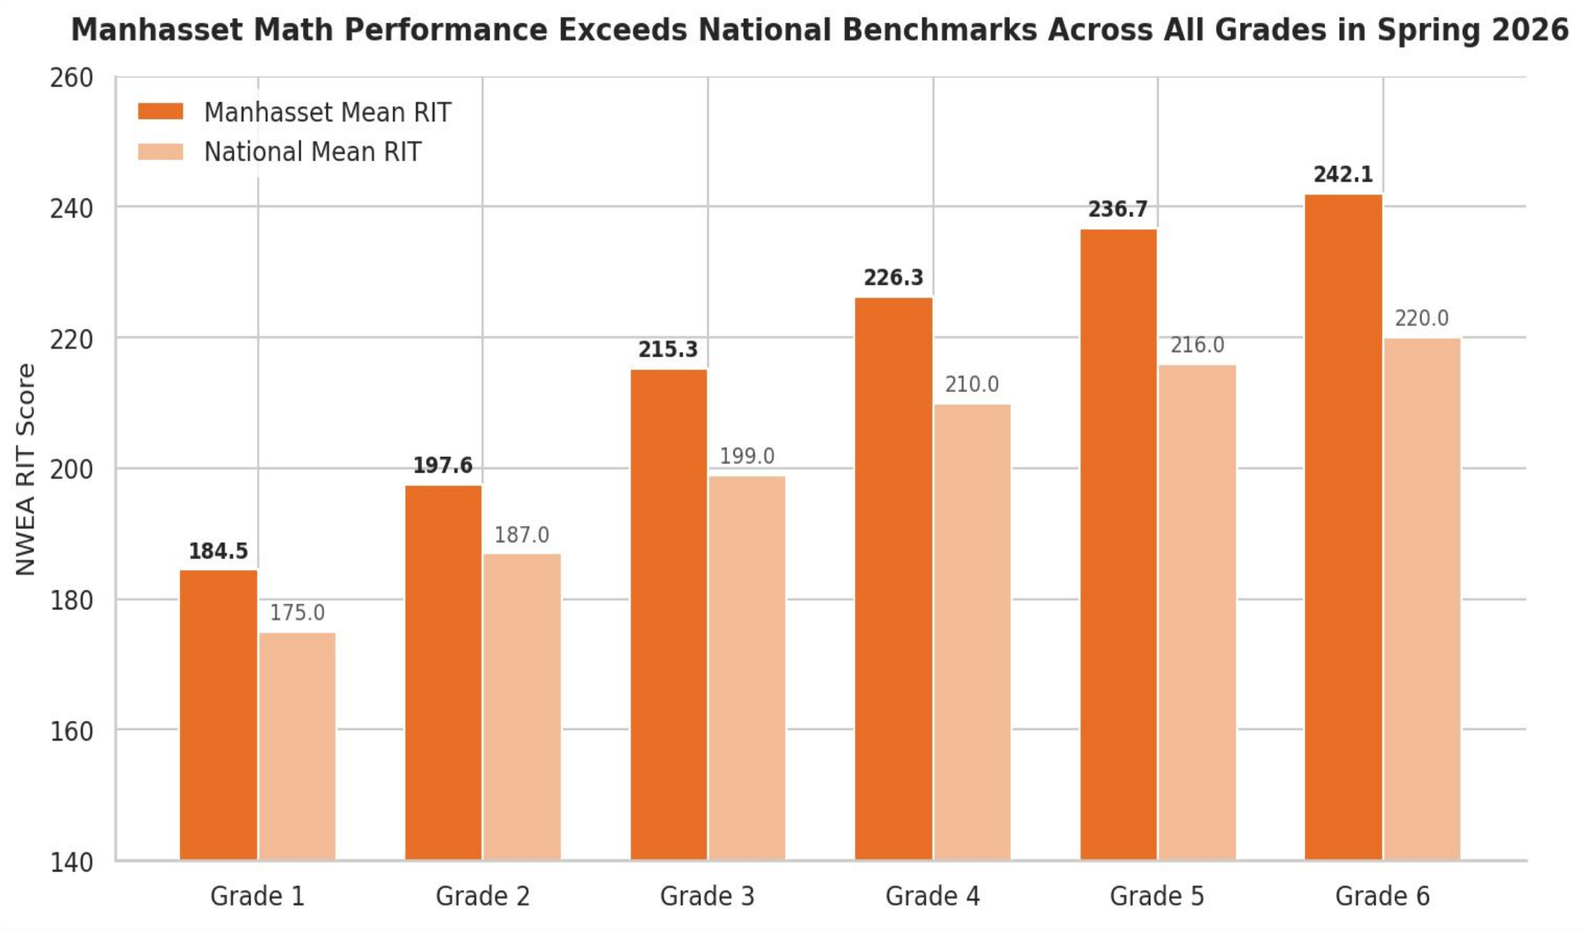

Mathematics – Regents Excellence

Perfect Execution: Algebra 2 achieves a flawless 100% passing rate in 2026, while mastery simultaneously grew from 68% (2025) to 71% (2026).

Gemini Notebook

Mathematics: Manhasset Exceeds National Means Across Every Grade Level

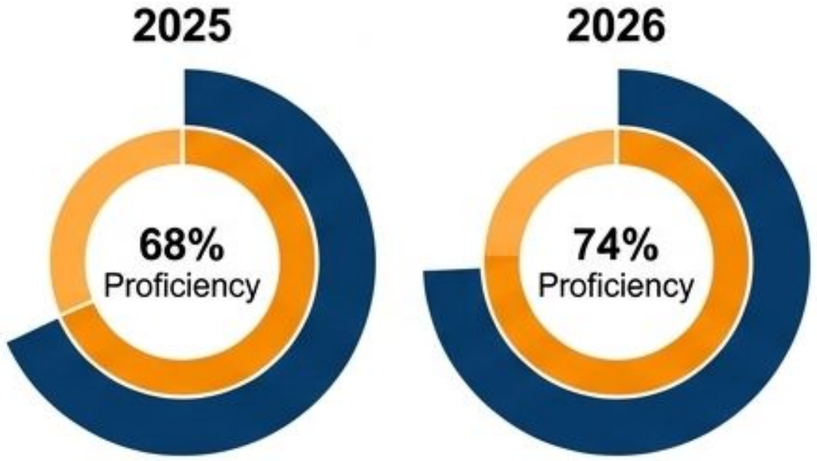

- Peak Outperformance: Grade 3 and Grade 4 showed substantial margins over the national means: Grade 3 outperformed by 16.3 RIT points (215.3 vs. 199.0), while Grade 4 outperformed by 16.3 RIT points (226.3 vs. 210.0).

- Upper Grade Mastery: Grade 5 achieved a mean score of 236.7 RIT, outperforming the national mean of 216.0 by 20.7 points. Grade 6 reached a mean of 242.1 RIT compared to the national average of 220.0 (+22.1 points).

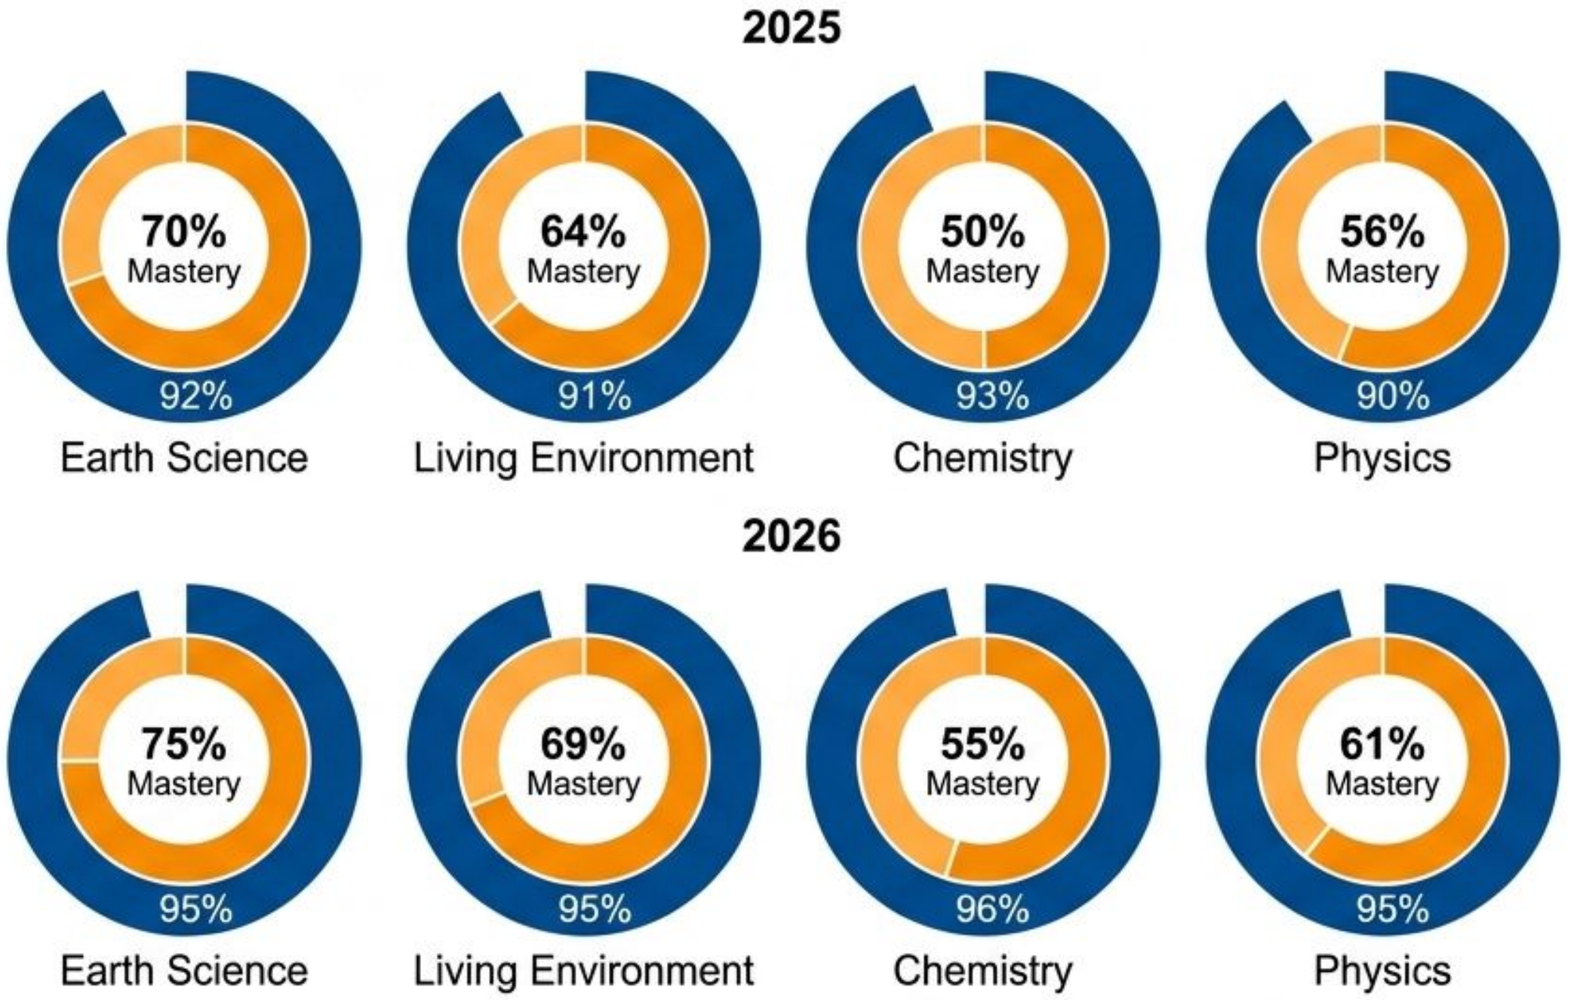

- Historical Context: The Spring 25-26 performance demonstrates robust instructional progress and maintains Manhasset's standard of academic excellence.

Science - A Dual View (NYS & Regents - 2025 & 2026 Comparison)

Foundations (Grade 5 NYS)

Specialization (Regents Mastery vs. Passing)

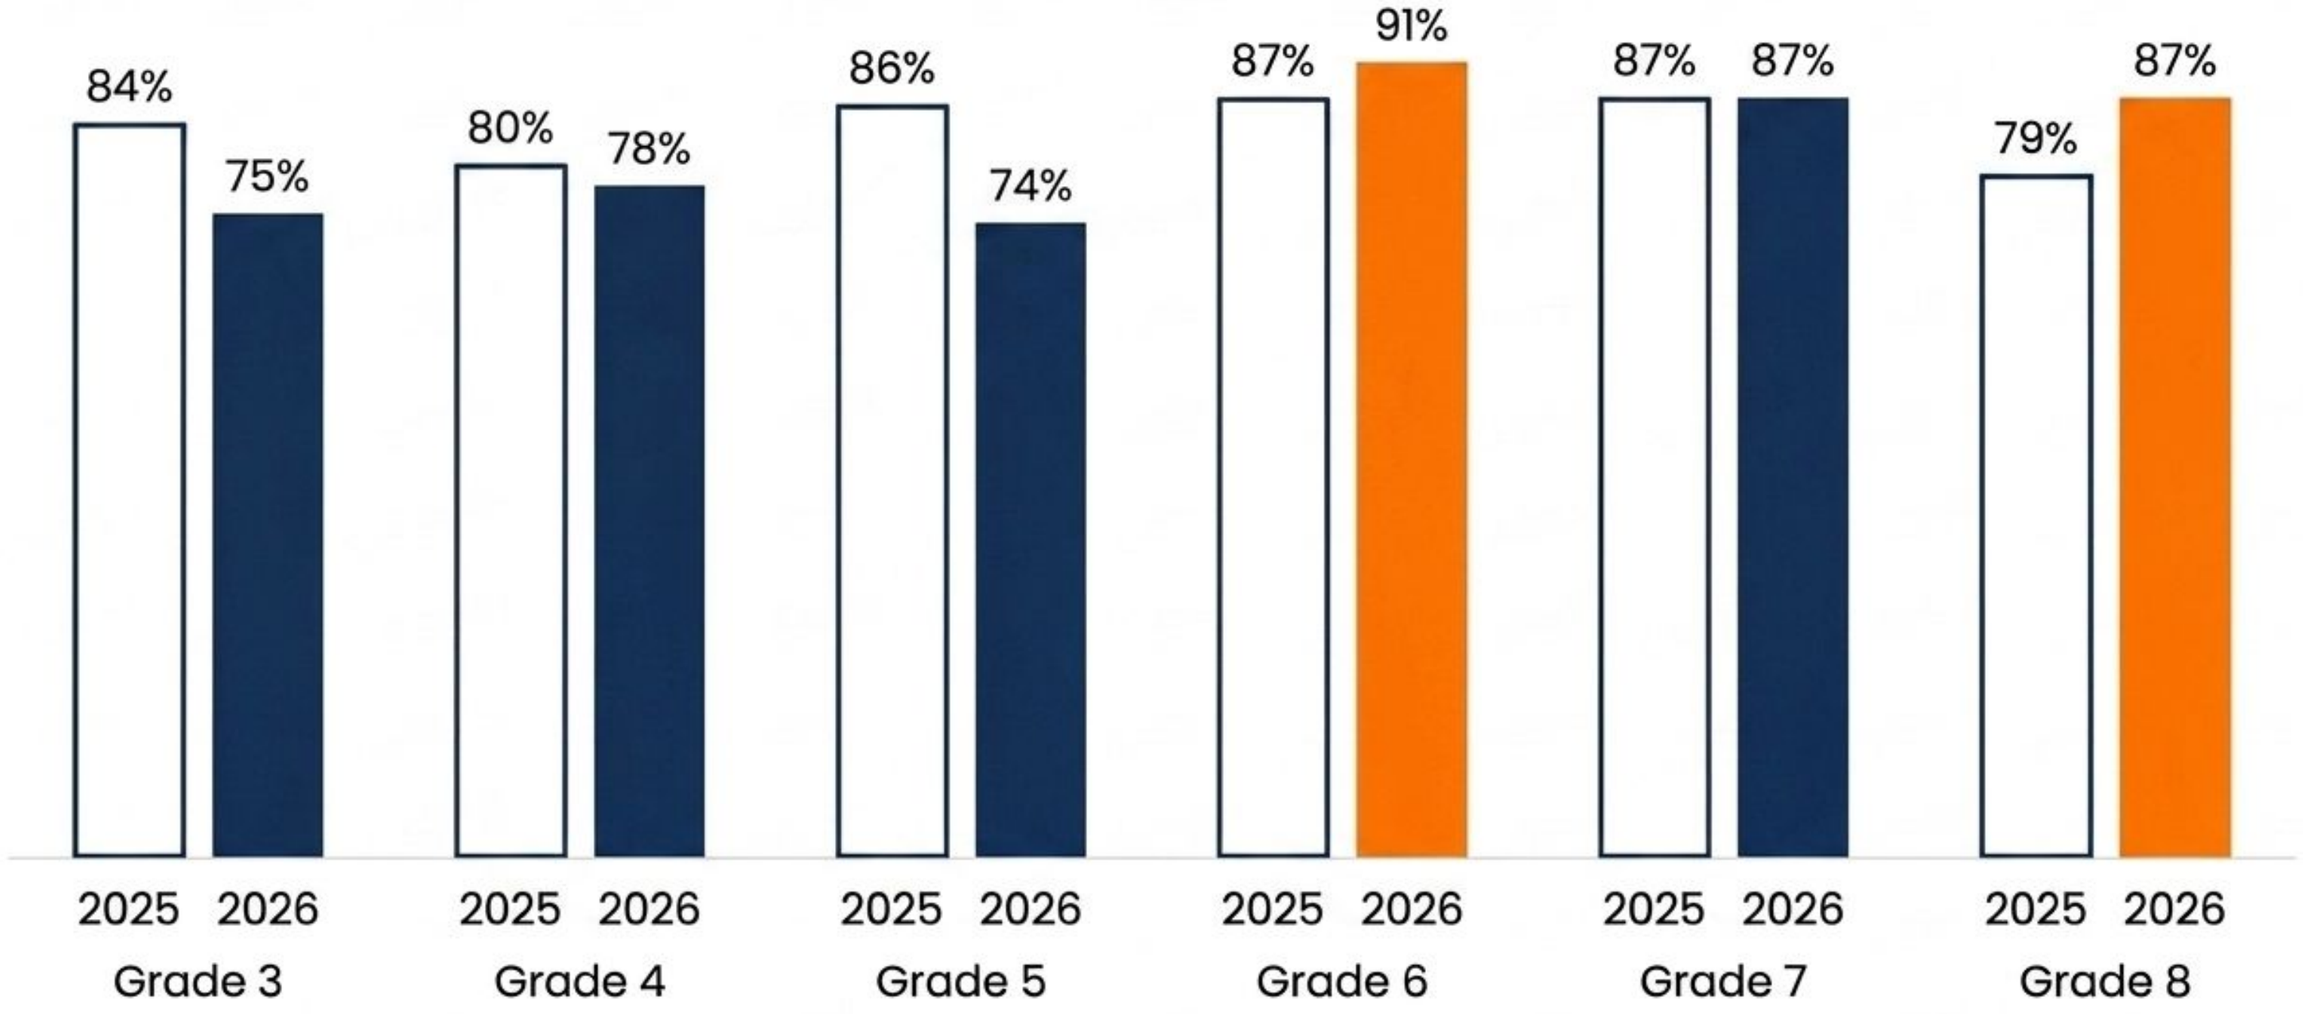

A Continuous Pipeline: From steady gains in Grade 5 foundations to consistent high school scientific mastery, comparing 2025 and 2026 performance.

Gemini Notebook

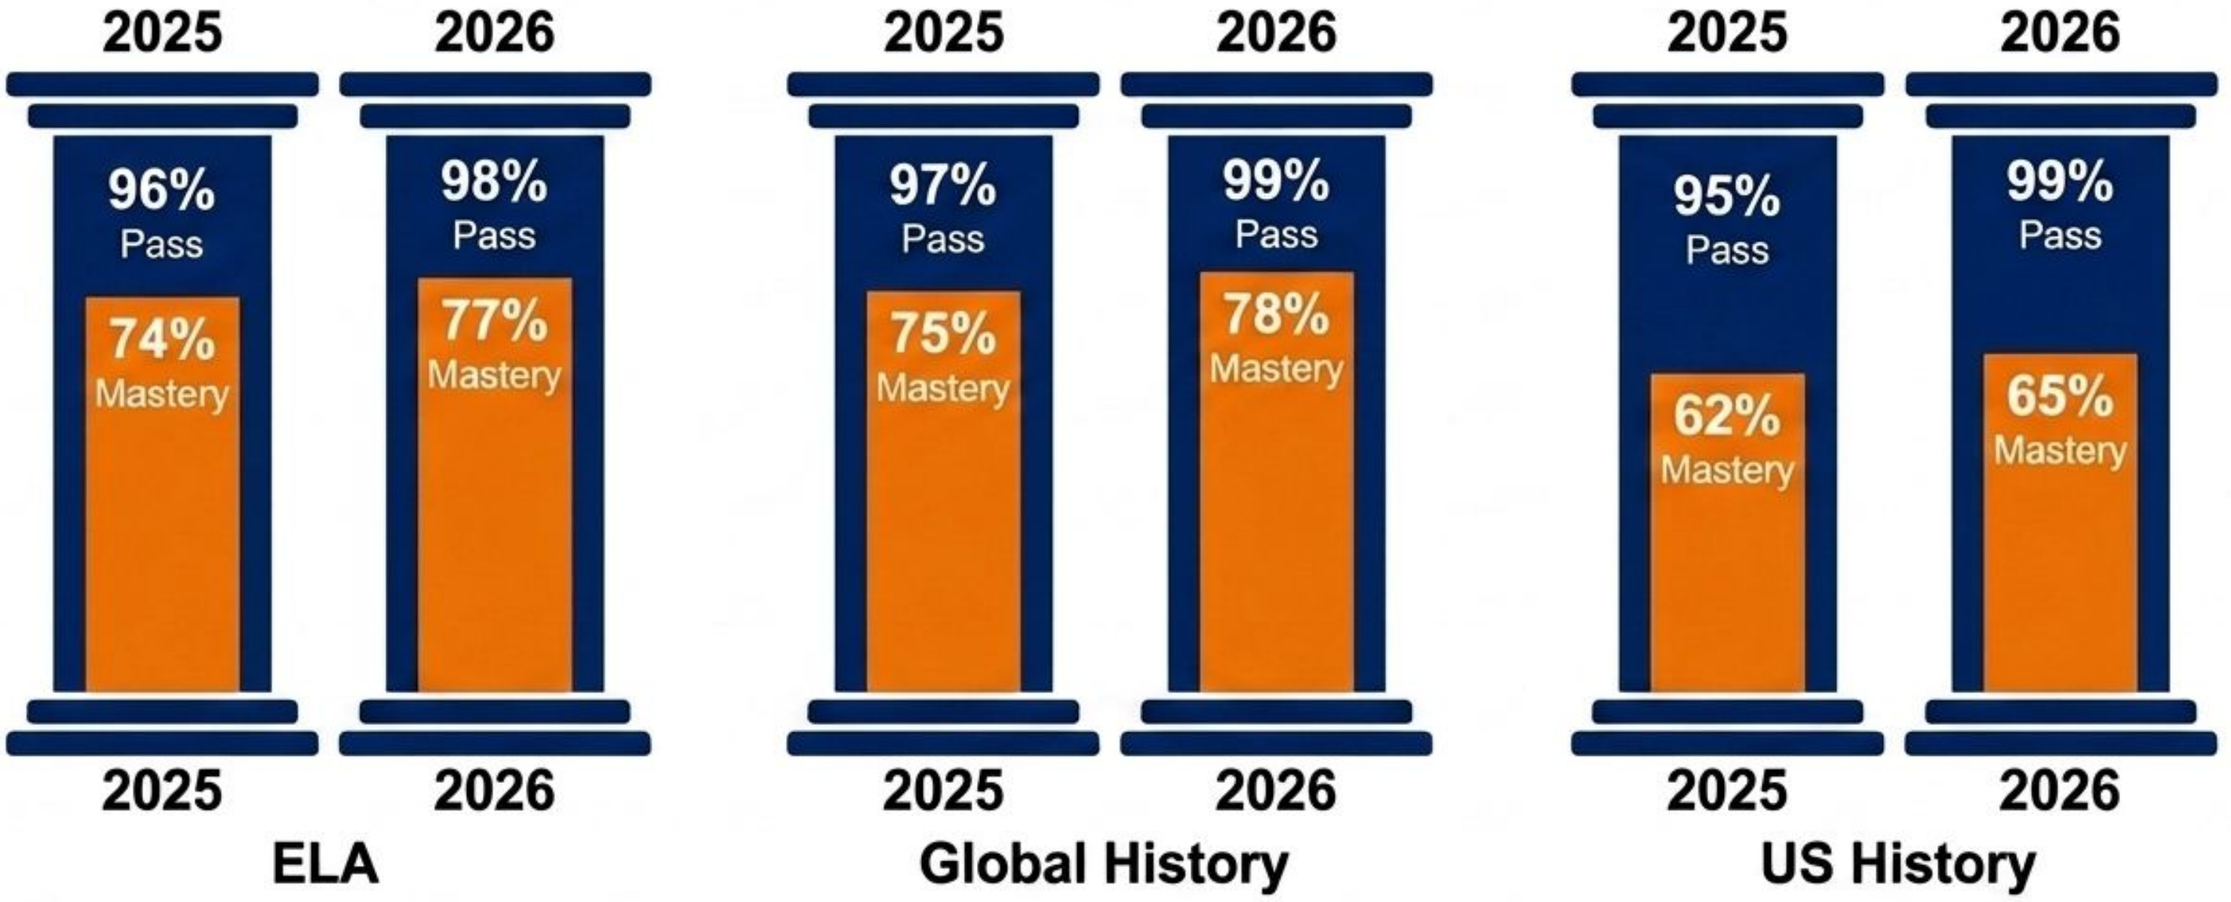

NYS ELA Assessments

Middle School Dominance: Grades 6 and 8 show significant upward momentum (reaching 91% and 87%). Curriculum teams are simultaneously leveraging this data to address the cooling trends observed in the Grade 3 and 5 cohorts.

Gemini Notebook

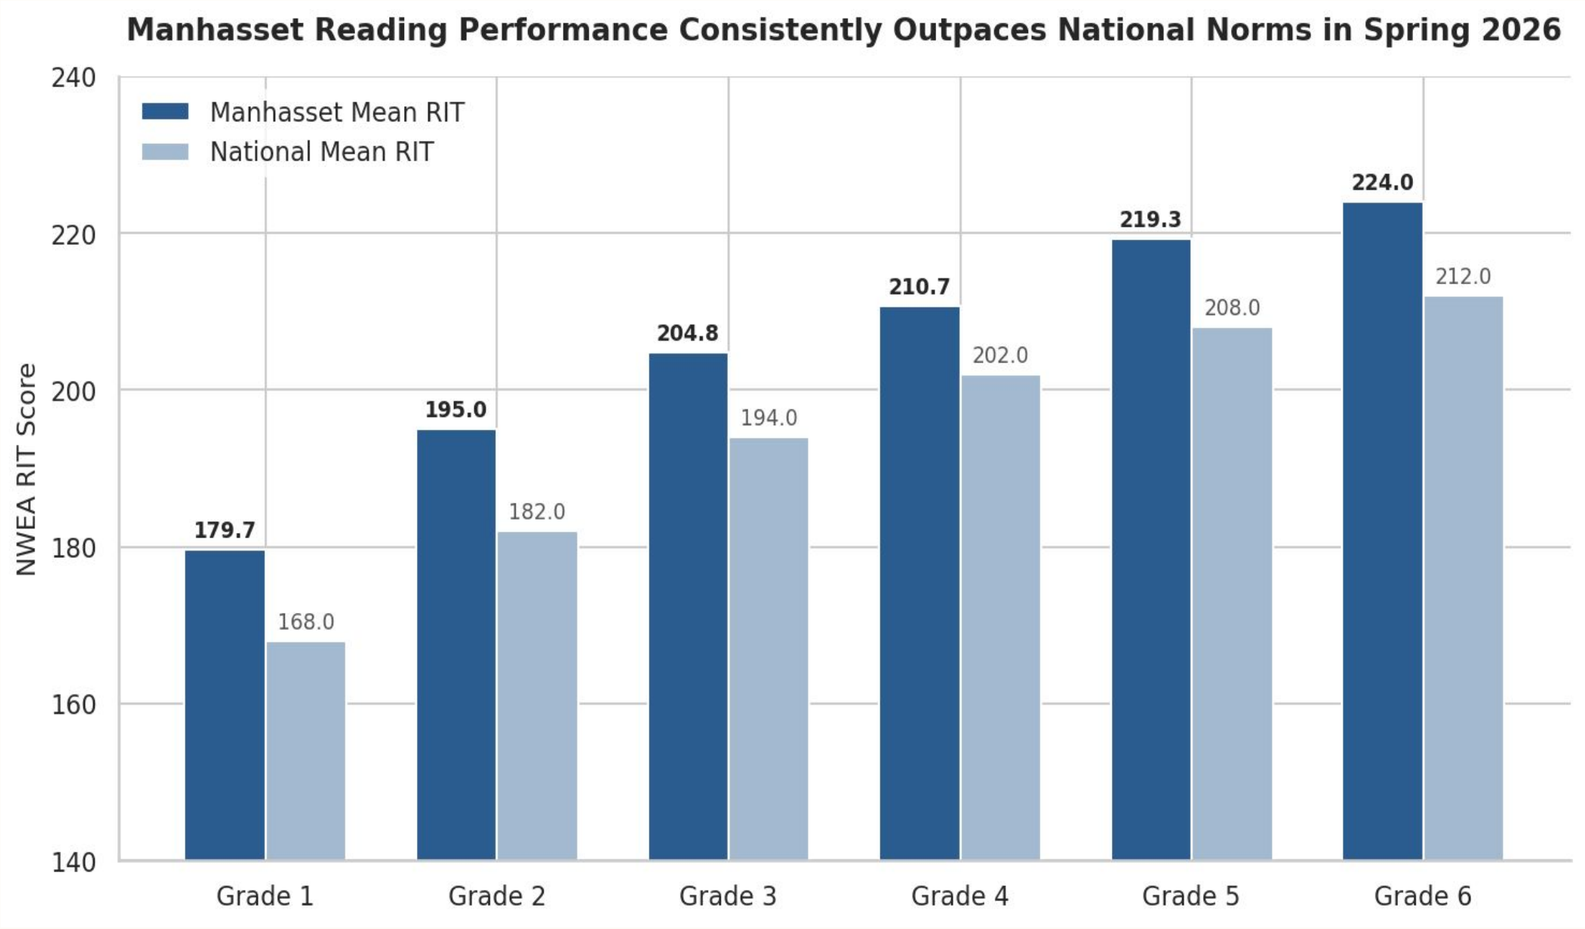

Humanities – Regents Performance

Universal Achievement: Significant year-over-year growth across all Humanities Regents. US History passing rates rebounded from 95% to 99%, while mastery grew from 62% to 65%. ELA and Global History saw similar increases, reinforcing Humanities as a cornerstone of district excellence.

Gemini Notebook

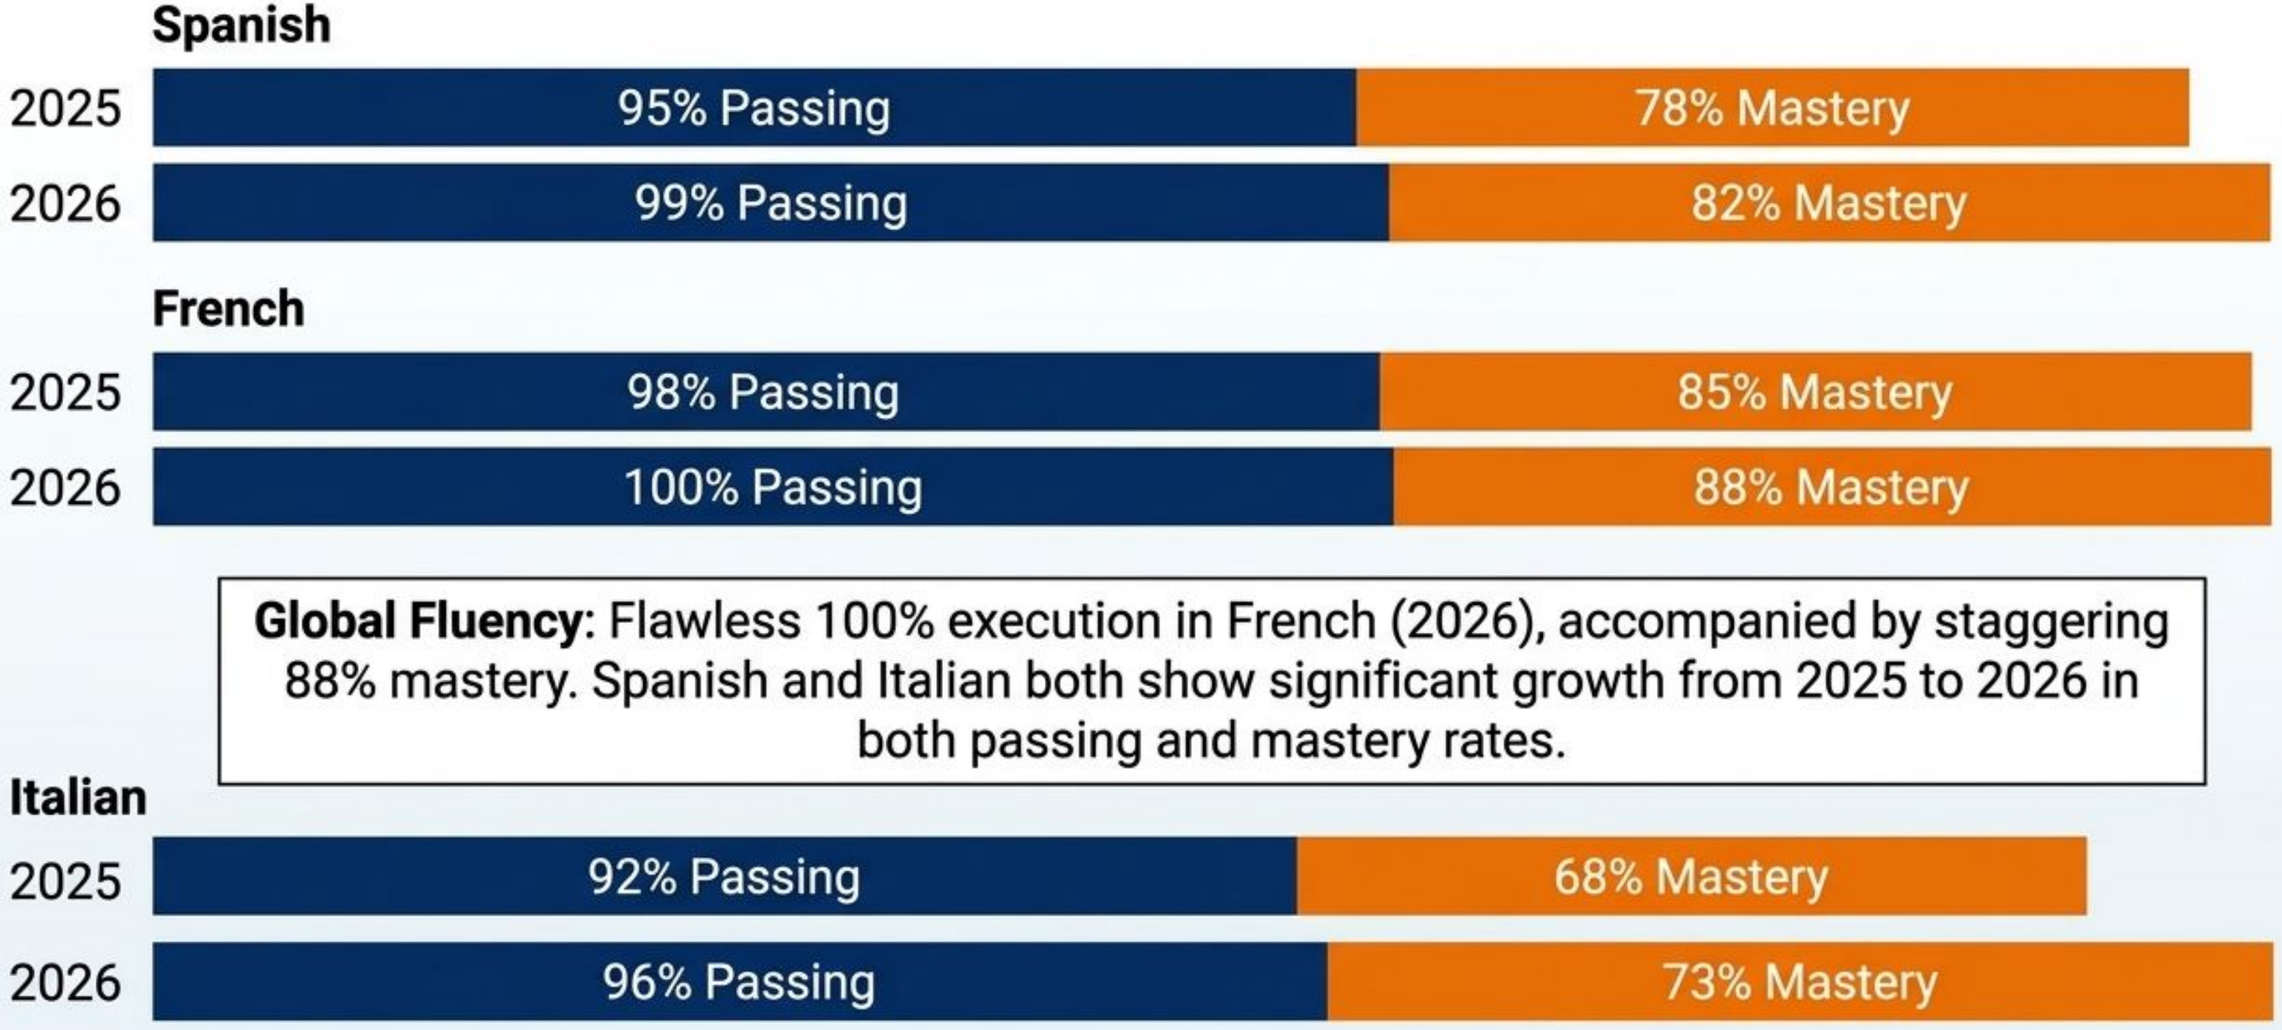

Reading: Exceptional Literacy Metrics Outpace National Norms

- Key Growth Milestones: Early reading milestones are strong: Grade 1 mean of 179.7 RIT exceeds the national mean (168.0) by 11.7 points.
- Sustained Literacy Margin: By Grade 6, Manhasset students achieved a mean score of 224.0 RIT, showing a 12.0 point margin over the national benchmark of 212.0.
- Consistent Strengths: Every single grade level tested (Grades 1 through 6) consistently performed well above the national standard, confirming a robust literacy curriculum.

World Languages – Universal Fluency

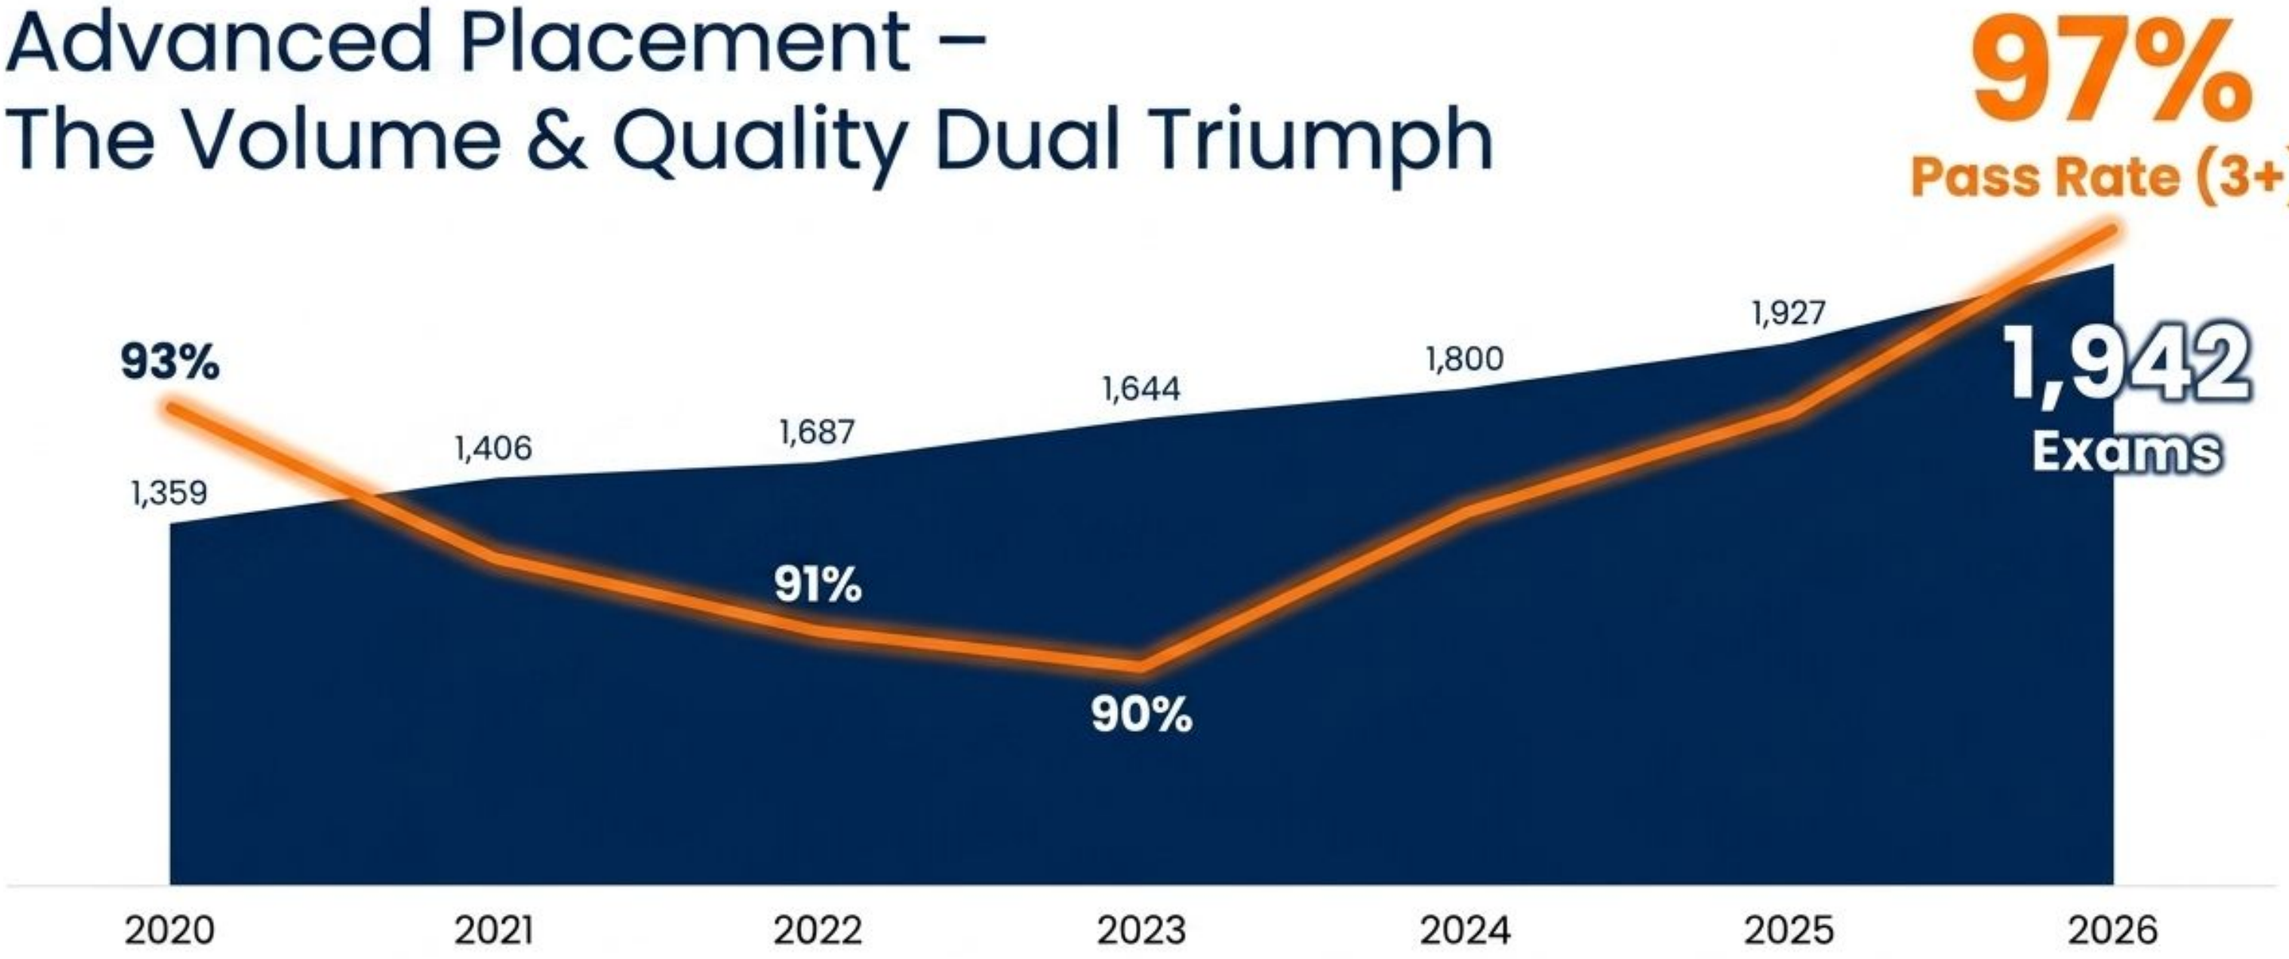

FLACS B Regents Execution: 2025 & 2026 Comparison

Global Fluency: Flawless 100% execution in French (2026), accompanied by staggering 88% mastery. Spanish and Italian both show significant growth from 2025 to 2026 in both passing and mastery rates.

Gemini Notebook

Advanced Placement – The Volume & Quality Dual Triumph

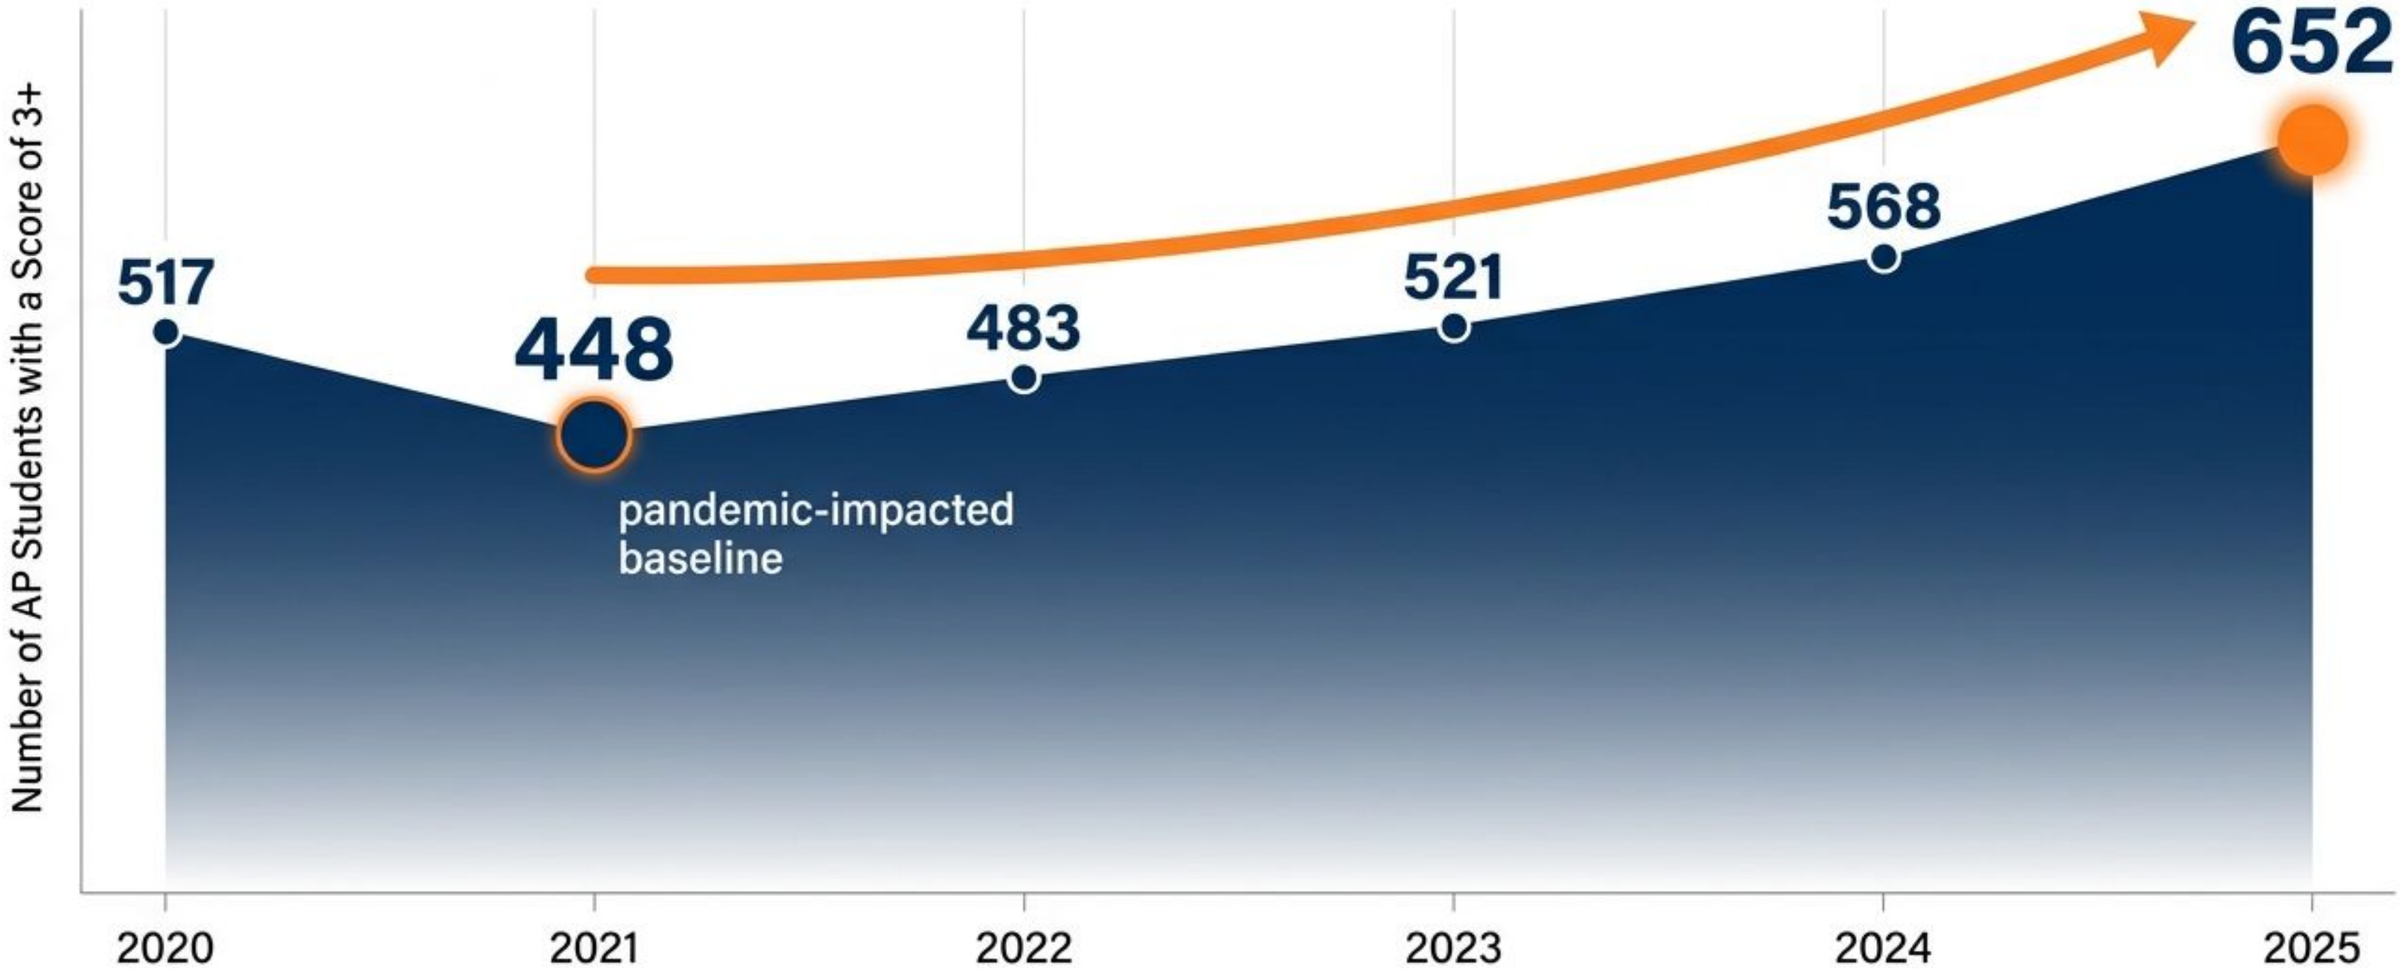

The Dual Triumph: Expanding Access While Elevating Excellence. In 2026, Manhasset students sat for more AP Exams than ever before in district history **(1,942)** while simultaneously achieving the highest 3+ passing rate on record (97%).

Gemini Notebook

Expanding Access: The Post-2021 Resurgence

A **45%** increase in students achieving college-credit eligible scores since the 2021 baseline.

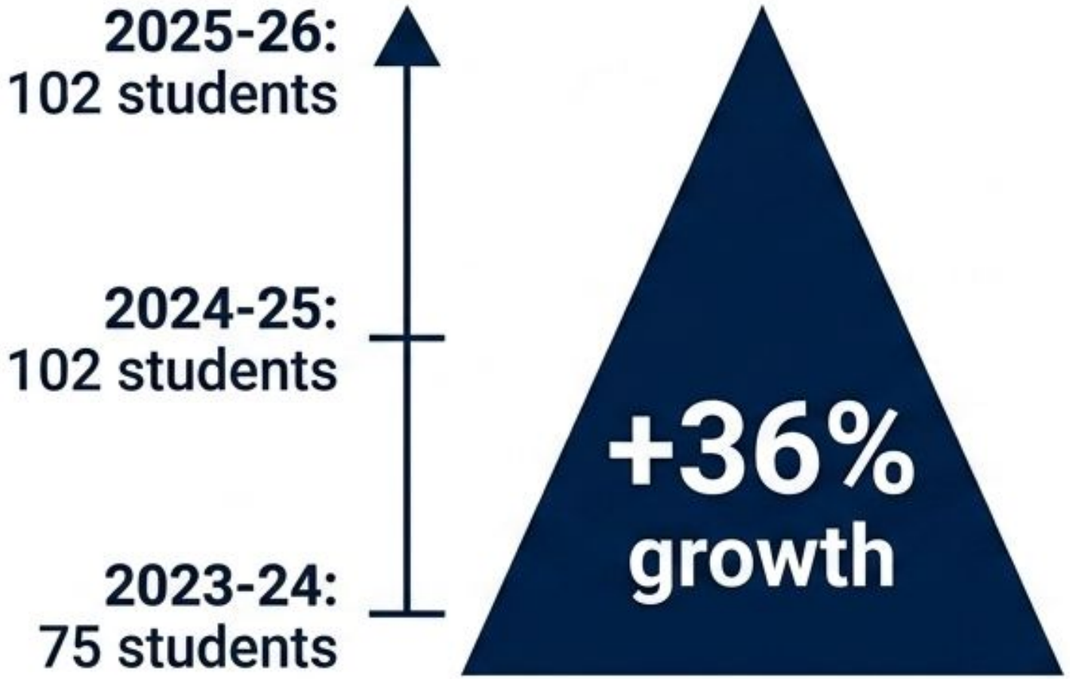

Gemini Notebook

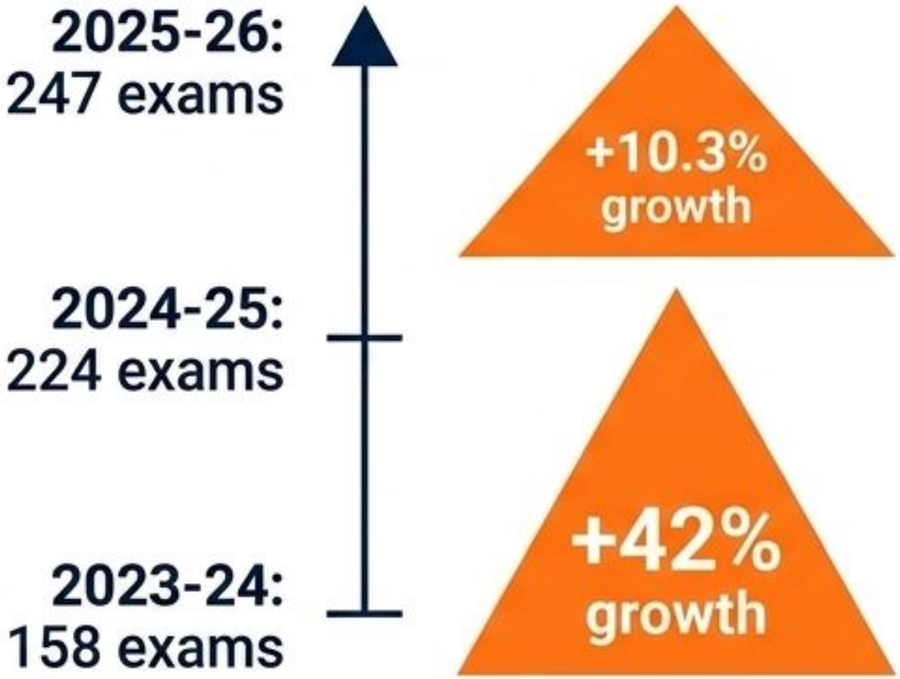

Unlocking Access: AP Growth for Students With Disabilities

College Board

AP Students (SWD)

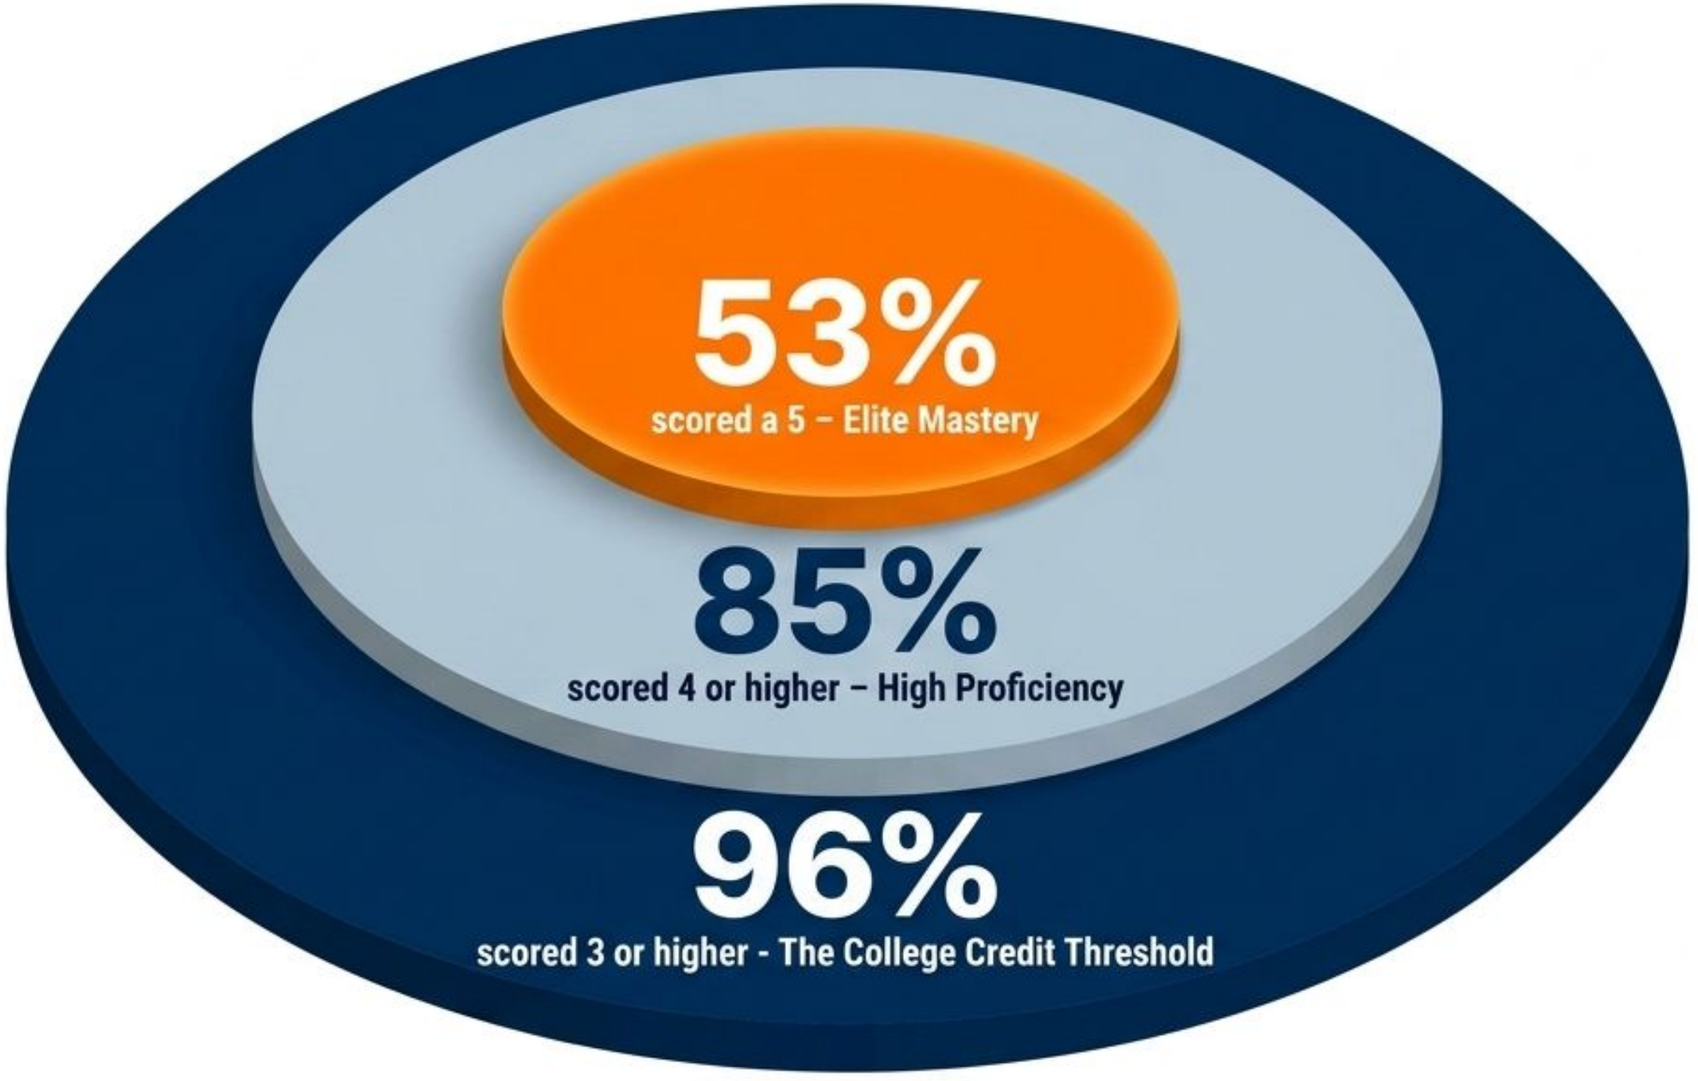

AP Exams Administered (SWD)

Visual inference proves that not only are more SWD students accessing AP classes, but they are taking a higher volume of exams per student over time.

Gemini Notebook

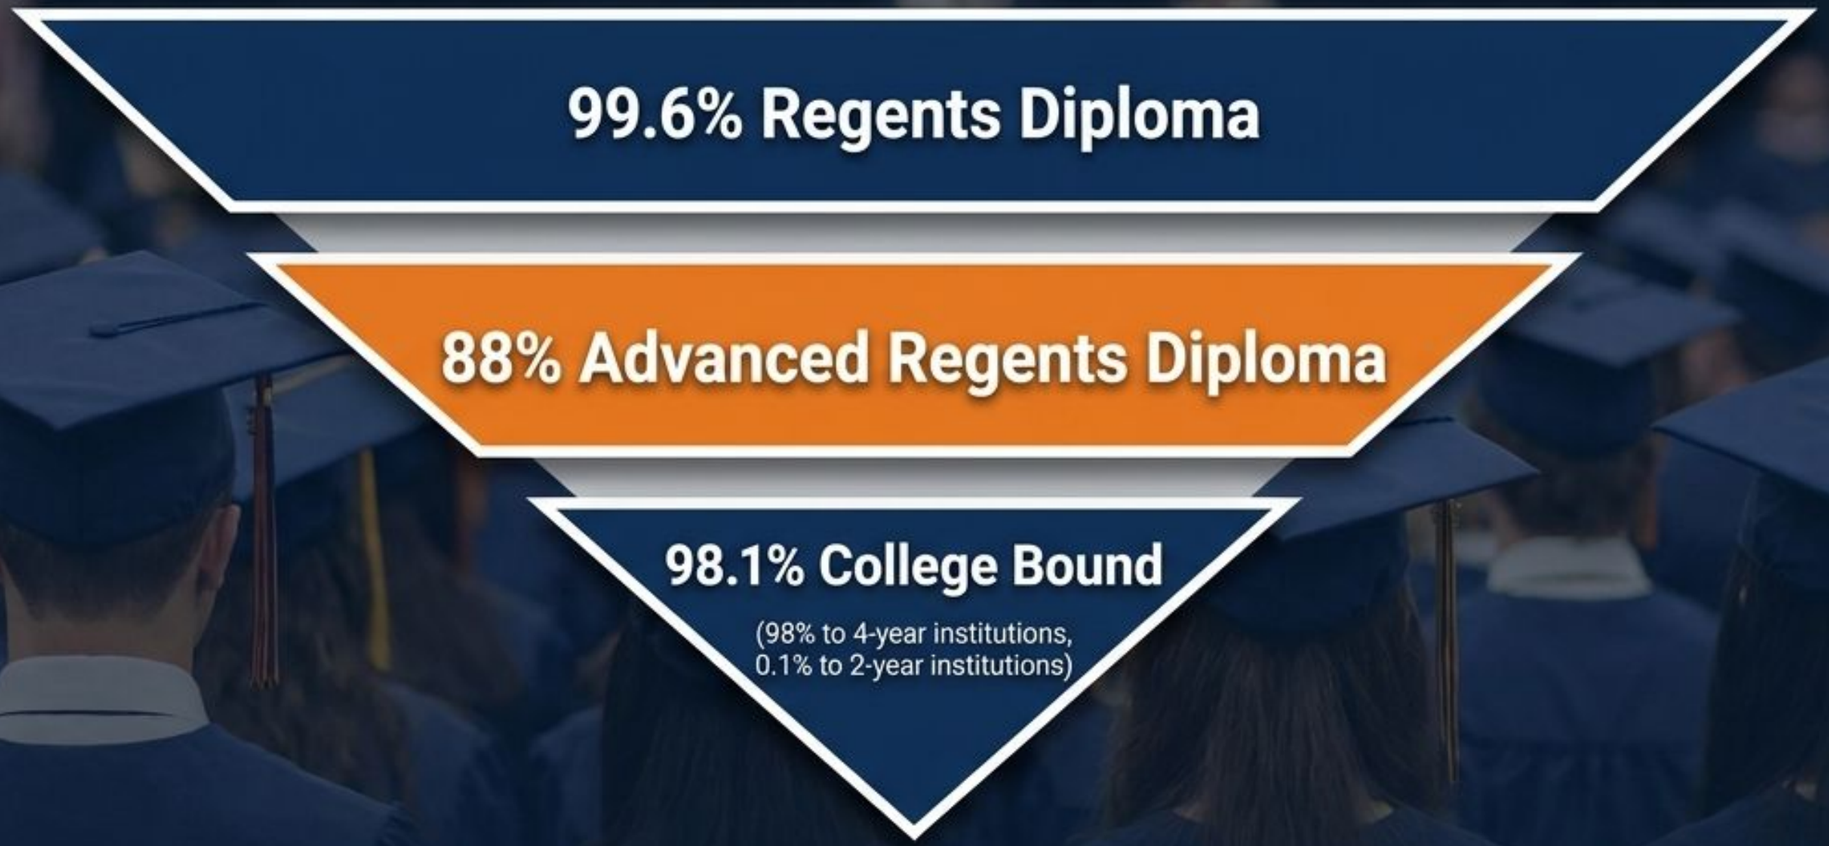

2026 Outcomes: Unprecedented Levels of Mastery

- More than half of the entire AP participating student body achieved the absolute highest score possible.
- The 53% scoring a 5 represents the dense core of our 85% high-proficiency cohort.

Gemini Notebook

Graduation & Beyond – The Ultimate Outcome

The Ultimate Outcome: The Manhasset K-12 journey consistently culminates in **universal graduation**, **advanced credentialing**, and **elite post-secondary placement**.
