HERRICKS PRESENTS A MIDSUMMER NIGHT'S DREAM

The Herricks High School fall theatre production was a magical success, bringing Shakespeare's world to life!

DENTON AVENUE TURKEY TROT!

The Denton Ducks spent the day at Herricks High School for their annual Turkey Trot! Our students had a blast getting active and celebrating the fall festivities. Thank you to Mrs. Masterson and everyone who helped bring this wonderful event to life!

CENTER STREET STUDENT ELECTIONS

Center Street held its student council elections this week! Candidates for president, vice president, and secretary spent time campaigning, hanging posters around the building, and delivering speeches about why they were the best fit for their roles and why their peers should vote for them. It takes a lot of courage to speak in front of classmates, and we are so proud of all the candidates for stepping up and sharing their voices!

SEARINGTOWN DESIGN CHALLENGE

Searingtown's 5th grade "junior engineers" invited their parents to join them for a Design Process Challenge! The activity connected to their current social studies unit, tasking each group with designing and building a model that demonstrated how ancient civilizations adapted to their environments. Students and parents collaborated as teams while problem solving, brainstorming, and developing solutions as they brought their models to life. They applied skills from the Portrait of a Graduate framework to create inventive, historically inspired designs. It was an exciting, hands on learning experience enjoyed by all!

HERRICKS MIDDLE SCHOOL CRADLE OF AVIATION

Herricks Middle School students took a field trip to the Cradle of Aviation in honor of Veterans Day!

During their visit, students had the opportunity to meet and interview veterans and also enjoyed a "Cities of the Future" show in the museum's planetarium. It was a memorable and meaningful experience!

HERRICKS HIGH SCHOOL
