

DOWNLOAD THE PARENTVUE APP

ParentVUE - Your digital connection to student information, this app allows parents real-time access to student attendance, class schedules, and grade reports. This essential app is also used for annual registration verification and updating important student and parent information.

DOWNLOAD THE PARENTSQUARE APP

ParentSquare - Your primary source for all NCSD communication, this app conveys NCSD communications (such as emergencies, inclement weather updates, etc.) and communication from individual schools (newsletters, special announcements, classroom news). Your access to ParentSquare emails and/or texts is based on contact information in ParentVue.

DOWNLOAD THE ZUM APP

Zum App - Allowing families to access and monitor student transportation, this app includes route information, estimated arrival times, and delay notifications for verified parent/guardians in real time. Contact information for families is updated via ParentVue.

USE THE INTOUCH PAYMENT PORTAL

The **InTouch** payment system makes it easy for families to view, manage, and pay school fees. No need to create a new account. Simply log in with your existing ParentVUE credentials to pay securely, receive email notifications for new fees, and track your payment history.
