The school will share information about the nutritional content of meals with parents and students. Such information could be available on menus, the school's website, cafeteria menu boards, placards, or other point-of-purchase materials. We will make provisions for our students to have supervised recess, preferably outdoors, and encourage moderate to vigorous physical activity. We will encourage the staff to join the "Walk Club." The number of minutes and steps will be recorded and logged each month.	☐ **Goal was successfully implemented.** ☐ **Goal was partially implemented.** *Comments:* ☐ **Goal was not implemented this school year.** *Comments*: ☐ Documentation is available at school site and easily accessible for audit.
