National Bullying Prevention Month

OCTOBER

Be an Upstander, Not a Bystander.

What is Bullying?

Bullying is repeated behavior that hurts, intimidates, or excludes someone. It can be physical, verbal, social, or online.

How You Can Help

- Be kind and respectful
- Include others
- Speak up when something is wrong
- Support someone who is being bullied
- Report bullying to a trusted adult

Need Help?

Talk to a parent, teacher, school counselor, principal, or another trusted adult.

Together, we can create a safe, respectful school community.
