CMAS Typing Practice

The rumors are true, and this year all students are required to take CMAS on a computer. However, if you'd like your student to begin practicing at home, there are some free resources available. These can be accessed by visiting the TCA website, and selecting the following: Schools, East Elementary, Specials, Computers. Here you will find 3 different websites that offer free typing lessons/games.

Parent Academy

Need some help navigating how to cultivate healthy habits in your child? Do you want to discover better ways to support your child in math? Then this is for you! **Thursday, November 12 from 6:00pm-8:30pm at Central Campus.**

Cold Weather

Just a reminder to look at the weather or send your child with a jacket/coat every day. Colorado weather can be unpredictable, and we want your child to stay warm!

Practice Math Facts!

Viking Day coming up soon, stay tuned for details.
