THE DISTRICT AND COMMUNITY

Piedmont is an affluent city located in the east bay hills, surrounded on all sides by the city of Oakland, and almost entirely zoned for single family dwelling residential use. Piedmont has a total population of just over 11,000 residents who demonstrate their generous commitment to education in a variety of ways. The Piedmont Education Foundation provides over $4 million in funding support which is raised through Parent Club fundraising events and through the annual Giving Campaign. Piedmont residents pay a parcel tax that contributes approximately $12.1million, or nearly 20% of the district budget, yearly. Piedmont residents currently pay a second parcel tax that contributes $5.4million annually toward Piedmont Unified School District (PUSD) employees' salaries. Thanks to generous financial support, PUSD is able to attract and retain highly qualified educators who provide an outstanding educational experience for our students.

Parent and guardian involvement is a cornerstone of Piedmont Schools, and the input of community members is integral to the process of creating our LCAP. Members of parent support groups (PIE, ALPS, Piedmont Arts Fund, Piedmont Makers, PADC, PAAC), parent clubs, and Piedmont Education Foundation, as well as teachers, classified staff, site, and district administrators, and students give input into creating the actions and services developed to meet them.

The Piedmont Unified School District (PUSD) strives to provide a stimulating educational environment for approximately 2,500 students. The student population has become increasingly diverse and includes 16 percent who are Asian, 10 percent Hispanic, 2 percent African American, 20.9 percent two or more races, and 51 percent Caucasian. On the CAASPP and CAST, PUSD is among the highest ranking unified school districts in the State, and over 95 percent of Piedmont Unified School District graduates pursue a college education.

A team of over 360 highly experienced and dedicated teachers, support staff, and administrators work with students at six school sites: three elementary schools, one middle school, one traditional high school, and one alternative high school. The district also includes an adult school that shares space with the district schools for evening and weekend classes.
