NEW! Six Steps to Legacy Panning for Generations

Instructor: Rolf White

Estate planning doesn't have to feel intimidating or impersonal. In this practical class, you'll learn how generational planning helps individuals share more than money, your wishes, stories, and values—so the next generation has clarity and direction. You'll see what happens when a legacy isn't planned, how to plan for sudden incapacity, and how to successfully transfer both tangible and intangible wealth. You'll leave with a simple six-step process and a clear next step you can take immediately. You don't need to be wealthy to benefit; you need to be clear. Whether you're 45 or 75, this framework helps you align paperwork, people, and purpose.

Hard Boiled: A Nursery Crime (Ages 7-17)

Instructor: Child's Play Theater

Being a hard-boiled detective in the Nursery Rhyme Unit isn't all it's cracked up to be, and it's hardly ever sunny side up! So when Humpty Dumpty comes in scrambled and shell-shocked from a fall, it's up to a team of punny detectives to interview all the unusual suspects and wacky witnesses. From five little monkeys, five Jacks and a Jill, a fiddling cat, and a vowel-loving farmer and his barnyard friends, to a screaming teapot, three blind mice, three mitten-less kittens, an old woman in a shoe, and more, it seems everyone is scrambling to prove their innocence. This investigation won't be over easy, that much is certain, but with the egg-timer ticking, these detectives need to crack the case wide open before they end up with egg on their face! Can Detective Bacon and his team figure out whodunit, or will it turn out that Humpty Dumpty is just a practical yolk-er all along?

Sibling Care/Sibcare Policy

Sibling care gives parents the opportunity to spend individualized time with their child in an age specific class and to fully engage during parent discussion time. If a family is taking an age specific class (examples-infants, toddlers, 2s and 3s, etc) children who are not in the age group should register for sibling care. Our sibcare room is staffed by a qualified teacher who leads age appropriate exploration, activities and play. This service is available for siblings 4 months through age 5 as part of our ECFE program. Babies under 4 months may attend any class with their family. Classes that include sibcare, are designated in the description. Register at the same time you register for your ECFE class.

Participant Waiver | Registration for any class waives all rights and claims for any and all injuries from whatever cause suffered by participation in activities.

Student Absences | To be eligible to participate in CE programs, classes or events, students are expected to be in school all day. Students who are ill or miss for other reasons not considered excused absences will not be allowed to participate in Community Education programs that day.

Lost or Stolen Items | CE is not responsible for lost, stolen or damaged items. Please do not bring valuables with you to class.

Non-endorsement Policy | Prior Lake-Savage Community Education works with specialists in their fields who are interested in presenting classes in their areas of expertise to the community. We do not endorse the opinions or business affiliations of the instructors.

All financial seminars are carefully screened to ensure they are strictly informational in nature. Although most seminars are presented by professional financial planners, the design is non-biased and non-sales oriented. You will not be pressured to make a purchase or meet with sales people. We prohibit the direct distribution of flyers, pamphlets or marketing materials that promote specific products, services or companies. We do, however, offer you the opportunity to receive an instructor's business card or you can ask for more information should you have additional, specific questions that go beyond the content or time frame of the seminar. We hope your participation in these programs will be enjoyable. For questions, call Jenny at 952-226-0315.

Registrations are on a first-come, first-serve basis and open to adults 18+ unless specified. Pre-registration is required for class participation. Registering online is the quickest and easiest way to guarantee your spot.
