

2026-2027 School/Family Contract

Schools and families will work together to help our students succeed. This compact is a voluntary agreement that unites us in a shared partnership.

Please see below how we can work together to have a fantastic school year and help our students grow to their full potential.

	As a school we will...	As a family, we will...	As students, we will....
Respect	- Partner with families to promote student success. - Empower families with strategies to support learning at home. - Communicate effectively by using families' preferred methods and languages. - Share positive news about student achievements. - Connect with families through regular phone calls, emails, and notes. - Host parent-teacher conferences to discuss student progress and needs. - Celebrate diversity by valuing various cultural and ethnic backgrounds.	- Contact the teacher to discuss my child(ren)'s progress or needs at least once per school year by phone, email, or in person. - Communicate any concerns about my child's learning.	- Talk to our family about what I am learning, and what I like/don't like about school. - Ask my teacher for help when I have problems with work or other things. - Being kind to ALL Students.
Responsibility	- Provide students with timely feedback and chances to demonstrate their learning. - Deliver high-quality, individualized instruction using data from assessments. - Hold all students to a high standard, expecting them to meet or exceed grade-level and Common Core standards. - Plan instruction using the CCPS curriculum to improve academic performance.	- Check in daily with my child about their schoolwork. - Ensure my child attends school on time, every day. - Make sure my child regularly completes schoolwork and homework. - Attend parent-teacher conferences and school-sponsored events. - Meet with school staff as needed to discuss my child's progress.	- Arrive at school well-rested, ready to learn, and with a positive attitude. - Pay attention in class and focus on my work. - Complete all schoolwork and homework. - Be a leader by helping others, being creative, and learning new things.
Safety	- Maintain high expectations for student academic and behavioral growth. - Hold students accountable in a supportive atmosphere where they can meet expectations. - Create a classroom that is welcoming, positive, and safe.	- Provide the school with updated contact information for emergencies. - Follow all school procedures, including arrival, dismissal, and safety protocols.	- Strive to understand expectations for my work and behavior. - Follow school and classroom rules, and take responsibility for my actions.
