Wendy,

Good afternoon & happy Tuesday!

I am the current food service provider at Bridges Preparatory School and am very interested in assisting BC schools with providing wholesome, healthy, and exciting food to the leaders of the future.

I am requesting access to existing public records under the South Carolina Freedom of Information Act concerning Beaufort County School District RFP 22-017, Food Service Management Company Services – Firm Price Per Meal, awarded to The Nutrition Group.

Specifically, I request electronic copies of the following records, to the extent maintained by the district:

1. The original executed contract and all annual renewals, amendments, extensions, pricing schedules, and approved price adjustments from July 1, 2022, through the present.

2. The winning proposal submitted by The Nutrition Group, including its pricing proposal, technical response, proposed staffing structure, transition plan, and financial commitments, subject to any legally required redactions.

3. Final proposal evaluation score sheets, bid tabulations, award recommendations, and final scoring summaries for RFP 22-017.

4. Monthly school-level reimbursable breakfast, lunch, and snack counts for school years 2023–24, 2024–25, and 2025–26.

5. Monthly or annual payment records reflecting amounts paid to The Nutrition Group during those same school years.

6. Annual school nutrition program financial statements or operating summaries showing revenues, expenditures, and year-end fund balances for those years.

7. Existing records identifying district-funded food-service staffing levels and aggregate compensation costs, by school or job classification where maintained.

8. Existing contract performance reviews, corrective-action notices, and documented performance assessments relating to The Nutrition Group during the current contract period.

I understand that some records may contain exempt information. Please provide reasonably segregable, nonexempt portions where appropriate.

Electronic copies are preferred. If any requested records are already publicly available, I

would appreciate links to those documents.

Please advise of any anticipated fees before undertaking chargeable work.

Thank you for your assistance.

Sincerely,

Travis Walker
