What is it?	Tijerina Elementary School's 2026–2027 Parent–Family Engagement Policy explains how families participate in their children's education and in the development of school policies and the School–Parent Compact. Tijerina aims to support parents in helping their children achieve and to provide opportunities for parents with limited English proficiency or disabilities to be involved. The policy was developed with assistance and approval from parents participating in Title I, teachers, community members, and administrators.
Funding	Tijerina Elementary participates in Title I, Part A. The policy describes opportunities for families to help shape Title I programming and decisions about parent and family involvement resources. [Verify specific funding allocation and decision-making language against the full 2026–2027 policy.]
Review	Parents and families are invited to participate in the planning, review, and improvement of the Title I program, schoolwide plans, the Parent and Family Engagement Policy, and the School–Parent Compact. [Confirm review frequency and procedures from the full policy.]
Family Meetings	At the beginning of each school year, Tijerina invites parents of students participating in Title I to an annual meeting about Title I requirements, school assessment goals, families' rights and benefits, and opportunities for involvement. The school offers flexible parent and family engagement meeting times, including morning, afternoon, and evening opportunities, to accommodate families' schedules.
How to Be Involved	Parents may participate in meetings, share suggestions and experiences, work with staff on educational decisions, and help review school plans and parent engagement activities. Families are encouraged to partner with teachers and campus leadership. [Confirm contact and formal feedback procedures.]
