GVCS WELCOMES FIVE NEW MEMBERS TO THE WALL OF FAME

Genesee Valley Central School inducted its 2026 Wall of Fame class on October 3, recognizing four individual athletes and one team whose accomplishments stretch back nearly five decades.

Bailey Bennett (GVCS, 2019) played soccer, basketball, and softball all four years at GV. She earned Allegany County Player of the Week and All-Star honors, helped her softball team reach the Section V finals, and was a two-time New York State Scholar-Athlete. She was named GV's Outstanding Senior Athlete for 2018-2019.

Mackenzie Bennett (GVCS, 2019) also played soccer, basketball, and softball all four years, earning multiple Allegany County All-Star honors and a Section V All-Tournament Team selection in softball. She was GV's Female Athlete of the Year for 2018-2019.

John Tronetti (Belmont, 1975) played soccer, basketball, volleyball, and baseball all four years and was named Outstanding Senior Athlete. He went 11-3 as the pitcher on Belmont's 1975 county championship baseball team.

Richard "Duke" Ellsessor (Angelica, 1989) started as a freshman on Angelica's 1985 state finalist soccer team. He helped lead two Section V championship teams and, in 1989, was chosen for the Rochester Select Squad that traveled to Italy for the Rovereto Peace Tournament.

The 1979 Angelica Cheerleading Team, coached by Sally Acker, became the first squad in school history to win a Section V Class D title. They finished the season ranked third in Section V's Top 20 for all cheer teams.

*Dear Parents, Students,
Staff, and Community
Members,*

FALL IS HERE.

The leaves are changing. The nights are cooler and when the sun shines during the day, it lights up all the colors outside.

Fall is also the time when the academic demands of the school year can begin to impact

students. The first few weeks of school include a significant amount of review of past learning.

Some students may begin to feel more stress or pressure academically.

There are many resources and strategies we can use to help students as the academic rigor increases.

- **Maintain daily routines** to the extent possible. Now is not the time to introduce new routines. Familiar schedules can be reassuring.
- **Monitor bedtime.** Is everyone getting enough sleep?
- **Build predictable mornings:** Lay out clothes, pack backpacks, and check school timetables the night before to reduce morning chaos.
- **Practice deep breathing:** Teach simple grounding exercises, like slow belly breaths or counting to ten when feeling overwhelmed.
- **Schedule screen-free downtime:** Ensure your child has unstructured time to enjoy a hobby, listen to music, or just rest their mind

Fall is also the time when we begin to dig into the back of closets to find our warmer winter clothes. If you find that you are in need of winter clothing items—including hats, gloves, coats, and boots—please let us know.

We have an amazing GV Cares Closet here at school loaded with items that you and your family may need. Any staff member can assist your family with securing items from the GV Cares Closet.

With gratitude and enthusiasm,

Dr. Paige Kinnaired

Introducing our new Extended School Day Program: Beyond the Bell

Hannah Baker

Hi, my name is Hannah Baker and I'm so excited to step into the role of the Extended Care Program Director here at Genesee Valley. I've always been passionate about creating spaces where kids feel safe, seen, and enriched. My biggest goal is to make sure every single student walks into our program feeling supported and excited for the afternoon ahead. I'm really looking forward to working alongside the incredible staff here at GV, getting to know all of your families, and building a warm, connected community where students can thrive after the bell.

Beyond the Bell allows us as a school to support working families by giving GV students in PK4 - 12th grade, a safe, structured place to be after the final bell rings. Students will be able to engage in academic support, hands-on projects, structured clubs, and different enrichment activities. Beyond the Bell is an opportunity for students to explore new interests, build skills, and connect with peers in a welcoming environment.

Mrs. Baker will be overseeing the planning and daily operation of the district's Extended School Day program. Her background includes work as an AmeriCorps representative, assistant director for a YMCA summer camp, teen librarian, and 11 years as a classroom teacher. Outside of work, she enjoys reading, listening to podcasts, cooking, and gardening.

THE DREAM TEAM

Thirty years ago, a storybook script was being written at the newly merged district of Genesee Valley Central School. In their very first year of existence, the 1996 GVCS girls varsity soccer team was on the cusp of a historic season, one that would lead to the school's first state title.

The new district, the result of a merger of Belmont Central School and Angelica Central School, brought together two rival schools where students on opposing sides were now working together toward a common goal.

Tonya (Hecker) Metatos, who attended Angelica before the merger, had misgivings about the prospect of a merged team: "At first it was unsettling. I had played sports with most of my teammates since we were little, and now we were expected to come together with our competitors and a new coach."

That new coach was Judy Bliven, a longtime presence at Belmont, who found herself at the helm of the merged program, bringing her fundamentals-based, team-first philosophy to her new team at Genesee Valley. Bliven commented, "My coaching philosophy was to treat every player equally regardless of which school she came from and to hold everyone to the same standards."

Erin (Manning) Graham, a member of that championship team, remembered it this way: "Coach made it very clear that there wasn't an Angelica or a Belmont—we were Genesee Valley and we were teammates." Another team member, Angela Granger, noted: "Coach had a way of just uplifting all of us. Even though she was previously the coach for Belmont she at no point made any of us from Angelica feel less important."

Despite her initial apprehension, Metatos realized good things were in store, "somehow after that first practice we all meshed well together. New friendships started, and a team was being morphed into something we had been wishing for all these years: a winning team that could compete."

And the team did win. A lot. They tore through the competition, garnering a regular season record

of 17-0-1, outscoring their opponents 71-7. They advanced through the sectional playoffs, outscoring their opponents 13-0, and made their way to the state tournament.

Coach Bliven's approach had paid off. "I was never big on stats," she recalled. "Soccer is a team sport. We were a team, not just individuals. Every day in practice I stressed basic fundamentals. Even on the day of the state championship, we still practiced fundamentals."

The storybook season wrapped up with the Lady Jaguars finishing the season 24-0-1, with 19 shutouts. They defeated S.S. Seward, ranked No. 2 in the state, 2-0 in the semifinal at the Soccer Hall of Fame Fields in Oneonta before beating No. 3-ranked New Lebanon 2-1 in the final on Nov. 16, 1996.

In addition to coming home with a state championship trophy, the team was also awarded the state tournament's Class D Sportsmanship Award.

Metatos remembers the welcome the team received when arriving back from the tournament. "We reached Angelica first — we could see the fire trucks and cars lined up to escort us around town. Then we finished up in Belmont — the same thing, fire trucks and cars waiting to escort us. There was so much happiness and pride."

Kim (Arthur) Figueroa commented: "I still look back on my soccer days and think of the tough love and lessons learned from Coach Bliven. Sportsmanship was always first and foremost in importance to her: no bad behavior, no excuses. I think our success was a great example to the rest of the new GVCS students in how to come together in a positive and productive way. It really bonded our two towns together right off the bat as everyone came out to cheer us on."

SCHOOL BOARD RECOGNITION WEEK

October 12-16, 2026

The New York State School Boards Association recognizes School Board Recognition Week, a dedicated time to promote awareness and understanding of the vital work performed by local school board members.

Public schools form the bedrock of our communities and our country. Democracy thrives with educated citizens capable of critical thinking and civil discourse, and local school boards are ultimately responsible for guiding student success.

It takes a strong school to build a strong community, and these public servants devote countless hours to making sure our school helps every child learn at a higher level. They make tough decisions every month and spend many hours studying education issues and regulations to provide the accountability our community expects.

The primary role of the school board is to drive student achievement by:

- **Establishing Vision:** Developing a shared vision and strategic goals for the district
- **Aligning Resources:** Ensuring strategies, budget resources, policies and programs directly align with district goals
- **Monitoring Progress:** Assessing student achievement data and maintaining public accountability
- **Fostering Culture:** Supporting a safe, healthy, and supportive environment in which to work and learn
- **Ensuring Leadership:** Evaluating district leadership to foster continuous improvement

School board members give Genesee Valley School District citizens a direct voice in education decision-making. Even though we make a special effort to show our appreciation this week, their contribution is a year-round commitment.

The members serving our school district and their years of service are as follows:

- Heath "Buddy" Gordon – 10 years
- Max Gilluly – 4 years
- Michelle Kelley – 3 years
- Jamie Willson – 3 years
- Shawn Grusendorf – 2 years
- James Cartwright – 2 years
- Jeremy Marsh – 1st year

Thank you for all your dedication and time to make our school great!
