WE KNOW THE WAY (FiNALE)

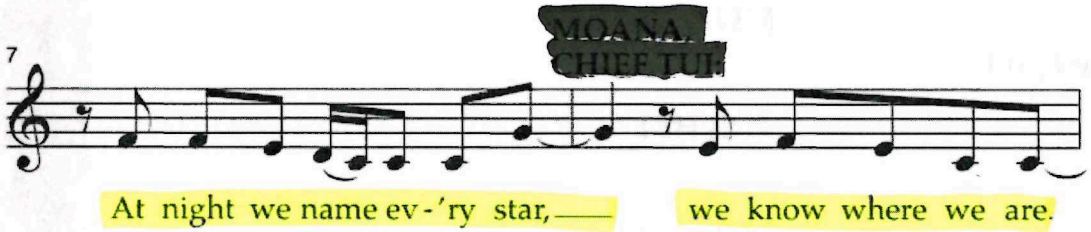

CHIEF TUI: *(to MOANA)* Well, "Master Wayfinder," why don't you start from the beginning?

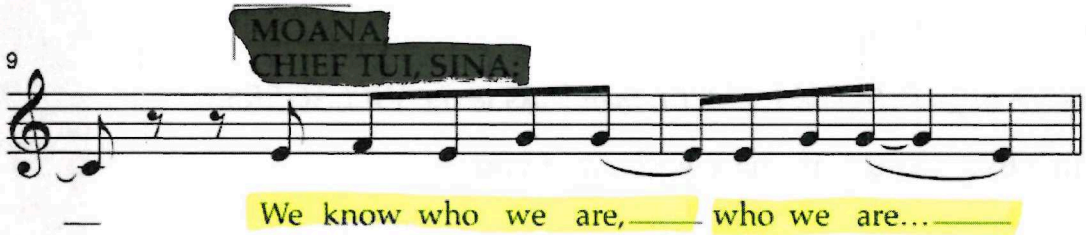

(MOANA smiles and proudly demonstrates her wayfinding skills. VILLAGERS bring out the canoes. CHIEF TUI helps MOANA onto the head canoe. She takes the lead.)

CHIEF ANCESTOR 1: And voyaging began again…
CHIEF ANCESTOR 2: … across the great Pacific…
CHIEF ANCESTOR 3: … after over one thousand years…
GRAMMA TALA: All thanks to the bravery of one girl.
